HELPLESS AS BABY

Down in Mind Unable to Work, and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emey, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work."

I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 48 years years-old, but feel as good as I did when only 16.

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them."

If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardui. Your druggist sells it.

SPOTS AND STAINS ARE REMOVED

If you spot or stain your gown or wrap, on the street or at a social function, we can remove the spot and make the garment perfectly fit for wear.

Our expert workers possess a full knowledge of this most important stage of the dry cleaning process, and can almost guarantee the satisfactory removal of any stain.

There are some stains and some fabrics, however, upon which spots take the nature of a dye, and cannot be removed. These, we, or any one else, cannot of course treat, but with these uncommon exceptions you will find that we can repair damage that would prove costly—at a little expense to you.
