of Wallhalla. The following announcement received here Monday night was the first intimation that The Courier had received of the happy event: "Mr. and Mrs. Christian Olson announce the marriage of their daughter, Bertha, to Mr. Alfred Rae Dendy, Wednesday, the 20th day of January, 1915, Bristow, Nebraska. At home after February 1st, White River, South Dakota."—Keowee Courier.

**Mrs. Wells Was Hostess.**  
Mrs. P. B. Wells was the charming hostess yesterday afternoon at a reception given complimentary to the ladies of the Methodist church.

During the afternoon a goodly number of ladies called.

Mrs. Wells was assisted in receiving by the members of the Womans Foreign Missionary Society, and in serving by the members of the young ladies society.—Rock 1:0, Herald.

**Runnymede Club.**  
The list of things in which South Carolina is first, compiled by the Runnymede Club, which appeared in last Sunday's Intelligencer has aroused quite a lot of interest and members of the club have had several pleasant things said to them in consequence. But in that list two dates were misprinted in the paper and the ladies have been told more than once of things like nature antedating those given in the paper. The Intelligencer is pleased to correct the misprints. The first is the very first one appearing on the list. The first public library in America was established in Charleston in 1698 not 1869, there were many by that time. The other, the first manual labor school in America, that endowed by Dr. John de la Howe of Abbeville was established in 1796 not 1860, as printed. One gentleman called to our attention the fact that the late Dr. P. A. White of Anderson was the discoverer of Anesthesia. The ladies of the Runnymede Club, and we feel some Anderson people at large, would be greatly interested in knowing something of the facts in that case, and we suggest that Dr. J. O. White make known to the public his father's claims to this honor. If we can find some things in which Anderson was first we shall with great pride put them at the head of our list.

The "L. D. C." has enjoyed two meetings this past month and the new year bids fair to hold many attractive affairs for its members. It is probable that the next meeting will be a Valentine party probably with invited guests.

The filling of vacancies in the membership caused by a removal from the city will be on the program for the next business meeting if not decided by personal canvass of members or special meeting prior to that time. Some drastic changes in the constitution are also slated for the next meeting and every member is urged to be present.

A sensible man doesn't care if he isn't good looking; he knows that there are others.

# TWO GOOD SPEAKERS HAVE BEEN SECURED

FOR THE MEN'S MEETINGS FOR NEXT SUNDAY AND SUNDAY AFTER

**NONE TODAY**  
Rev. N. A. Jenkins of Athens, Ga., and President Snyder of Wofford Coming.

The Rev. M. A. Jenkins, D. D., of Athens, Ga., will address the men's mass meeting Sunday afternoon, February 7, and Dr. Henry N. Snyder, president of Wofford College, Spartanburg, will be the speaker for the following Sunday, according to an announcement yesterday by Secretary Fred M. Burnett of the Young Men's Christian Association, under the auspices of which these meetings are held.

Dr. Jenkins is one of the best known and most forceful ministers and speakers in the State of Georgia, and Mr. Burnett considers the Y. M. C. A. particularly fortunate in having secured his services for one of these men's meetings. The subject on which Dr. Jenkins will speak has not yet been announced.

Dr. Snyder is most too well known in Anderson to need anything in the nature of an introduction in this connection. He is known and admired throughout this section as one of the most polished and pleasing platform orators in the South. In addition to that he is a finished scholar, a deep thinker and a man of exceptionally broad vision.

The Y. M. C. A. has a number of good speakers scheduled for the winter meetings, but it is safe to say that none will be more pleasing than Dr. Snyder and Dr. Jenkins.

There will be no meeting for men today, but this is practically the only Sunday between now and spring on which there will be no mass meeting for men. It is not improbable that some of the meetings will be held in the Paramount theatre, though most of them will be held in the courthouse, the usual place. Announcements as to where each meeting will be held will be made in due time.

# YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

If cross, feverish or bilious give "California Syrup of Figs."

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle then see that it is made by the "California Fig Syrup Company."

# AID HOME COMPANY

Georgia's New State Insurance Law Prevents Appointment of Receiver.

ATLANTA, Ga., Jan. 30.—The new State insurance law which created the State board of insurance has again come to the protection of a home life insurance organization which was being bitterly attacked by a minority stockholder in a demand for receivership. This is the Empire Life Insurance company, Judge W. D. Ellis of the superior court yesterday refusing to appoint a receiver for the company and saying that the plaintiffs should lay the matter before the State board, composed of the governor, the insurance commissioner and the attorney general.

After the court had announced this decision Albert Howell, of counsel for the plaintiff, announced that he would offer an amendment to his original petition, and the court decided to hear arguments on this next Monday. But he still said he would not appoint a receiver for the company.

Insurance Commissioner Wright claims jurisdiction in the case based on the new law, and there has been a slight conflict over this. General Wright's intervention, however, will take the case before the state board and the insurance commissioner will administer the affairs of the company until it can adjust the troubles, which were largely brought on by the litigation.

# TO STOP HEADACHE

Headache usually comes from sluggish liver and bowels. If you feel bilious, dizzy or tongue is coated and stomach sour, just get a 10-cent box of Cascarets to start your liver and bowels and your headaches will end.
