**WINTER DOUBLES WORE**  
In summer the work of eliminating poisons and acids from the blood is helped by perspiration. In cold weather, with little out door work or exercise to cause sweating, the kidneys have to do double work. Foley Kidney Pills help overworked, weak and diseased kidneys to filter and cast out of the blood the waste matter that causes pains in sides or back, rheumatism, lumbago, stiffness of joints, sore muscles and other ills resulting from improper elimination.

Items of Interest and Personal Mention Caught Over the Wireless on the Streets of Anderson

**Child Recovered**  
Painful Burns.  
A two year old child of the Toxaway Mill village was severely burned yesterday morning while playing near fire under a washtub in the yard. The child, whose name could not be learned, was frightfully burned on the left shoulder and arm and the front of his body. The attending physician stated that he does not think the injuries will prove fatal.

**Seigler Case**  
Was Continued.  
The case against W. L. Seigler, charged with reckless, dangerous and careless driving of an automobile, when he ran into a delivery wagon being driven by young Chevils Tribble along South Main street Thursday night, has been continued until Monday. The case was set for trial in recorder's court yesterday, but as the lad is yet confined to his bed as a result of the injuries it was decided to postpone trial of the case until the boy is out of danger.

**Chevils Tribble Is Recovering**  
The physician who is attending Chevils Tribble, the lad who was injured Thursday night on South Main street when an automobile crashed into the rear of the delivery wagon he was driving, stated yesterday that the lad is rapidly recovering and will soon be able to be out. Young Tribble had a very narrow escape from death, and it is a wonder that he was not injured more seriously than he was. He is an especially deserving young fellow and has numbers of friends in the city who were grieved to learn of the mishap which befell him.

**New Ice Cream Parlor For City.**  
The work of fitting up the new Carlington ice cream parlor is going forward apace. Yesterday the soda fountain, carbonator and other fixtures were installed. The proprietor of the new place purchased the soda fountain and some of the fixtures of the defunct Lewis Drug company. Dr. Lewis purchased the fountain when it was new, and as it had been in use only a few days when his business failed. The fountain is practically new. It is expected that the new ice cream parlor will be ready for business on March 1 or shortly thereafter.

**Only One Case Before Recorder.**  
There was but one case tried yesterday in the recorder's court. The defendant in this instance, Lee Davis, was charged with stealing eggs of the value of 15 cents. Davis entered a plea of guilty and was sentenced to pay a fine of \$10 or serve 15 days on the chain gang.

**Wedding Bells In The Courthouse.**  
Mr. Samuel Clayton and Mrs. Minnie Ida Clark, both of Garvin township, were happily married yesterday by Judge of Probate Nicholson, in his office in the courthouse. It is understood that the wedding was somewhat spontaneous, that is, the contracting parties had not planned to get married just when they did. When the couple had been issued the necessary license, the groom stated to the probate judge that he would like to have ceremony performed right then and there. Judge Nicholson is always willing to accommodate those who are desirous of embarking upon the sea of matrimony, and it was with pleasure that he united these hearts.

**Charles Cobb Is Out Again.**  
Mr. Charles E. Cobb who has been confined to his bed since the first part of January was able to be out yesterday for the first time since he was taken sick. Mr. Cobb suffered an attack of catarrh, after which he was given a cordial greeting by his numerous friends who saw him on the streets yesterday.

**Geronimo States Negro Will Live.**  
Coroner Hardin stated yesterday that he had been informed that the negro Hack Cowan, who was shot near Craytonville last Wednesday night by a pistol, the bullet striking him squarely in the center of the upper lip and lodging under his right cheek. It was reported in the city, and printed, in fact, that Cowan was killed instantly. The negro Callahan is now occupying a cell in the county jail.

**City to Buy Two Mules.**  
The "mule and horse trading committee" of city council is advertising the fact that they will met at the city hall next Monday afternoon at 2 o'clock for the purpose of purchasing a pair of mules for the city. Those who have stock of this kind to sell are requested to bring it to the city hall at 2 o'clock Monday afternoon, next. The two mules, of a pair of mules to be purchased are a pair of mules the city has been using and which have been returned to the owner.

**Taking Down Old Telephone Poles.**  
Work of taking down something like 15 large telephone poles on East 11th street, extending from the old exchange to Fant street, is now under way. The wires which were formerly stretched on these poles have been taken down and put under ground. The removal of the tall poles will make a great improvement in the general appearance of the streets, to say the least. The equipment of the old telephone exchange, which was on the second floor of the Webb building, has been stripped and was shipped yesterday to the Western Electric Company, at Atlanta.

**Accident at The Foundry Yesterday.**  
Mr. J. V. Johnson, of 1025 West Whitner street, a machine employed at the plant of the Anderson Machine and Foundry company, was injured yesterday while at work in the foundry. Mr. Johnson was working at one of the machines when the accident occurred. He was struck in the side by a flying piece of metal. The attending physician stated that he did not consider Mr. Johnson's injuries serious.

**An Automobile Was Stolen.**  
Mr. Archie L. Todd, Ford automobile dealer of Anderson, is in receipt of information that a reward of \$25 will be given by an Atlanta concern for information leading to the recovery of an automobile which was stolen from that city several days ago. A description of the machine is

**Help the Stomach Digest Your Food**

When the stomach fails to digest and distribute that which is eaten, the bowels become clogged with a mass of waste and refuse that ferments and generates poisons that are gradually forced into the blood, causing distress and often serious illness.  
Most people naturally object to the drastic cathartic and purgative agents that shock the system. A mild, gentle laxative, positive in its effect and that will quickly relieve constipation is Dr. Caldwell's Syrup Pepsin, sold by Druggists at fifty cents and one dollar a bottle. It goes not gripe or cramp, but acts easily and pleasantly and is therefore the most satisfactory remedy for children, women and elderly people. For a free trial bottle write to Dr. W. B. Caldwell, 452 Washington St., Monticello, Ills.

sent Mr. Todd in the following language:

**News Letter From Belton**

BELTON, Feb. 26.—Orr Mattison, a colored man, employed by D. A. Geer, was seriously hurt this morning while operating a shredder. Mattison's right leg got caught in the cog or blades of the shredder and was literally torn to shreds, tearing his hand and fingers and lacerating the arm almost to the elbow. Dr. A. B. Weathersbee and W. C. Bowen were summoned and amputated the arm at the elbow and Mattison is doing nicely. This negro is about 35 years old and is liked by all the good white people of Belton and the accident is very much regretted by the people here.  
A. S. Fant, one of our popular fertilizer dealers, left this afternoon for Norfolk, where he will spend several days.  
Mrs. S. A. Briggs of Spartanburg, who has been spending some time in town the guest of her daughter, Mrs. Claude A. Graves, returned home this afternoon.  
Messdames R. A. Lewis and Walter E. Geer are in Baltimore for a ten days visit.  
The Bible class of the Methodist church will meet Sunday morning at 10:15. The class is lead by N. D. Taylor, one of the best Sunday school workers of the town.  
Uncle Fleet Clinkscale, a Confederate soldier, but still a young man, spent this afternoon in Belton and is in the best of spirits. Mr. Clinkscale lives just beyond the city limits, but he is a live booster for Belton. He is one of the biggest farmers in Anderson county and at this time has over 1,000 bushels of corn in his barn which was raised last year.  
Preaching at the First Baptist church tomorrow (Sunday) morning and evening by W. H. Province of Furman University.  
Mrs. J. T. West will entertain the members of the Royal Ambassadors this evening at her home on Brown avenue at 8 o'clock.  
Mrs. L. D. Blake entertained a number of friends most delightfully Thursday afternoon at home. The detail of this pleasant affair will be given next week.  
Mrs. Frank McMullan entertained a beautiful dinner on Thursday, February 18th, at her home on Brown avenue. Those enjoying Mrs. Mattison's hospitality were: Messdames J. H. McCuen, J. C. Garrett, W. H. Cobb, Jr., A. W. Campbell, C. F. Cox, O. K. Poore, W. O. Kay, Harold Brazeeale and W. D. Cox. In the afternoon a delightful game of rook was enjoyed.  
Mrs. J. C. Garrett had a few friends spend Thursday most delightfully with her. They were Messdames Alice Geer, Maude Culbreath and F. M. Cox.  
The civic league will not meet Monday their regular day for meeting, on account of the week of prayer which begins that day of the Baptist church. The league will meet the following Monday, March 8th, at the library at 4 o'clock.  
We will give the first person who guesses the real name of "Bill Sables" a year's subscription to The Belton Journal. Who will be the winner? Several persons have guessed and we will receive many more before the days are many.

**Special Tax Will Be Revoked.**  
MEXICO CITY, Feb. 26.—The French minister was advised officially today that the portion of the special tax of 20,000,000 pesos levied by General Obregon which applies to foreigners will be revoked. General Obregon's decree stated this money was to be used for the relief of the poor.

**DR. MEYER-GERHARD MAY SPEAK IN CITY**

**EFFORT ON FOOT TO GET NOTED GERMAN TO DELIVER ADDRESS HERE**

**TOURING SOUTH**  
Dr. Meyer-Gerhard Has Spoken at Charleston and Augusta. Is a Talented Man

A group of Anderson people who are desirous of hearing Dr. Anton Meyer-Gerhard, a German citizen of considerable note as a speaker and student who is making a tour of the southern cities at this time, have written to the lecturer in the hope of arranging for him to come to Anderson and deliver one of his lectures.  
Dr. Meyer-Gerhard has made a number of addresses in Charleston, and Thursday night spoke to a mass meeting of citizens of Augusta in the theatre in that city. Yesterday he returned to Charleston.  
A letter has been received here from Mr. Albert Orth, editor of the Dantscho Zeitung, a German newspaper published in Charleston, in reply to a communication addressed him with reference to securing Dr. Meyer-Gerhard for an address in Anderson. In his reply Herr Orth states that there is absolutely nothing in Dr. Meyer-Gerhard's addresses that reflects in the slightest degree on any one's neutrality. "In carrying out the neutral idea, your organization is exactly doing what the whole German press has been trying to do ever since the war. You will never find any appeals for American assistance or intervention. All the Germans want is fair play in the matter. I hope you will be able to secure Dr. Meyer-Gerhard, there will be nothing in his address that would reflect on our neutrality."

**Children**

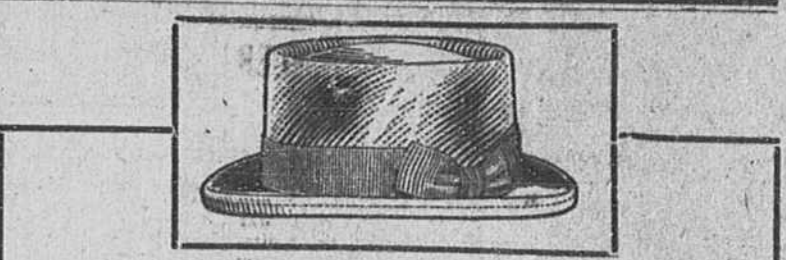

**Special Program Today at the Paramount for the Little Ones**

A special program for children will be on at the Paramount Theatre this morning, opening at 10 o'clock and continuing until 1 o'clock this afternoon.  
The plan of having a special program for children every Saturday morning was started several weeks ago, but was called off on several occasions because the management couldn't get the class of service he desired. He was pleased to announce yesterday, however, that he had gotten a program that suits him and that will suit the children of the city.  
The same programs are to be given here as are given in the celebrated Mary Anderson theatre in Louisville.  
The program for today includes: "Little Boy Blue," "Little Tales Verne," "Miss Cinderella," "Col. Heeza, Explorer," and "Railroad Builder."  
Parents are urged to bring or send their children to this show.  
**Do You Find Fault With Everybody?**  
An irritable, faultfinding disposition is often due to a disordered stomach. A man with good digestion is nearly always good natured. A great many have been permanently benefited by Chamberlain's Tablets after years of suffering. These tablets strengthen the stomach and enable it to perform its functions naturally. Obtainable everywhere.

**Drugs Excite Your Kidneys, Use Salts**

If your Back hurts or Bladder bothers, drink lots of water.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 600 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.  
Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts: take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.  
Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

**The Plain View Seed Corn Planter**

If anything human can be called perfect, here, at last is the perfect seed dropper. You can see what you are doing every minute with the Plain-View Planter. Every seed passes up in plain sight and drops into the spot right before your eyes. The selection of each seed is done by Nature's great law of gravitation. The slanting plate forces the surplus seed to fall away by their own weight. Only the seed in the little cups are carried into the ground. There is no brush or artificial cut off of any kind. There is nothing anywhere that can bruise or injure the seed. With sound seed you can sow with the fingers only. The direct shaft drive insures smooth running. The mechanical construction is strong and simple. The working parts are well protected. It is easy to change seed plates or distance gears. No tools needed—just a wrench with the fingers only. To SEE the Plain-View Planter is to BELIEVE everything good of it. To USE it is to KNOW that it is unequalled in the variety and perfection of its work and in ease of adjustment and operation.
