PRELIMINARY GIVEN CORNELIUS GAMBRELL

CHARGED WITH ASSAULTING DR. E. H. PARKS SOME WEEKS AGO

OUT ON BOND

Gambrell Enters Plea of Not Guilty and an Alibi—The Testimony

A preliminary hearing was given yesterday afternoon to Cornelius Gambrell, the negro who was arrested last Saturday night and identified by Dr. E. H. Parks as the person who assaulted him in his store the previous Saturday.

Upon arraignment the negro entered a plea of not guilty and an alibi. The record of the hearing is as follows: The State against Cornelius Gambrell charged with assault and battery with intent to kill.

Mr. E. H. Parks sworn says: I am certain that this is the negro who struck me at my place of business in the city of Anderson, South Carolina, County of Anderson on the 27th day of February, 1915.

Cross examination by Mr. Rice. I gave the alarm about one minute after the negro ran out of my place of business. I told Mr. Whitten and Mr. Alken that I was not certain that this is the man who struck me, that I wanted to see him again.

If we can prove that this negro was in Belton when you were struck would you still say he is the man who struck you? Yes, I had seen the negro before he struck me but did not know where he worked or what his name was.

I go to dinner about one o'clock or a little after. I was struck between two and three o'clock in the afternoon. It was about 3 o'clock when the negro ran out of my office or place of business. If you can prove that this negro was in Belton when I was struck I would still say he was the man who struck me.

DR. E. H. PARKS. I was standing before the window of the business place of Mr. E. H. Parks on the evening of February 27th, 1915, and saw the defendant run out of Mr. Park's store.

Cross examination by Mr. Rice. I work at the Equinox Mill. I have been in the city about 30 years. I saw the negro good. He had on a dark gray looking shirt like he has on now. He had on a red looking necktie. He had on the same suit he has on now.

ASA WATSON. I was standing before the window of the business place of Mr. E. H. Parks on the evening of February 27th, 1915, and saw the defendant run out of Mr. Park's store.

CASCARETS FOR YOUR BOWELS IF HEADACHY, SICK

Tonight Clean your bowels and Headaches, Colds, Sour Stomach.

Get a 10-cent box. Put aside—just once—the Sals, Pills, Castor Oil or Purgative Waters which merely force a passage through the bowels, but do not thoroughly cleanse, freshen and purify these drainage organs, and have no effect whatever upon the liver and stomach.

Keep your "insides" pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripes, sickness, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have Headaches, Biliousness, Severe Colds, Indigestion, Sour Stomach or Constipated Bowels. Cascarets bring in every household. Children just love to take them.

Keep Your Bowels Regular. As everyone knows, the bowels are the sewerage system of the body, and it is of the greatest importance that they move once each 24 hours. If your bowels become constipated, take a box of Chamberlain's Tablets for after supper and they will correct the disorder. Obtainable everywhere.
