SUMMER SCHOOL FOR 4 COUNTIES PLANNED

FELTON WOULD UNITE TEACHERS OF ANDERSON, GREENVILLE, PICKENS, OCONEE

AT CLEMSON

Doesn't Think Well of Plan for Summer School at Newberry. Too Far Away

County Superintendent of Education, J. B. Felton, has returned from Newberry, where he went Thursday to meet with county superintendents of education of Laurens, Greenwood, Spartanburg, Saluda and Newberry this year for the benefit of teachers of the counties named.

Mr. Felton stated upon his return yesterday that he thought it unwise for Anderson to attempt participation in the plan, as Newberry was too far removed. It is but a short distance farther to Rock Hill, he stated, and teachers could attend the summer school at Winthrop College about as easy as they could go to one at Newberry.

It is probable that Laurens and Newberry counties will combine and hold a summer school at Newberry. Mr. Felton stated, even though none of the other counties named join with them.

"I am working on a plan to have Anderson, Oconee, Pickens and Greenville counties unite in a summer school to be held at Clemson College," said Mr. Felton, "and I think the plan will go through." The superintendent stated that he had been working on such a plan for some time, and was confident that the other three counties of the Piedmont section would join in.

Mr. Felton stated that he would have agreed to the Newberry plan of a summer school had they contemplated holding the school at Greenwood, instead of Newberry.

ANDERSON COLLEGE

One of the spots in Anderson which attract the eye of the stranger is what is known as the "Old Murray Place." When the artist, Mr. Crane was here last year he said he had rather own it than any place in town, as it had more possibilities for development, along artistic lines than any other. He was pleased with the dignity, the atmosphere and air of refinement there. The college is pleased to receive a number of shrubs and plants from this "old timey yard" given by Miss Nan Lewis. The management is very grateful for this favor.

Miss Lenora Thompson of Laurens has entered the dormitory as a student here. She is most cordially welcomed by all.

These balmy bracing days have brought to life the out-of-door spirit among the students and faculty. The tennis and basketball courts are full of enthusiastic sport lovers.

The college Y. W. C. A. gives a benefit tea this afternoon in the students' parlor.

After Three Years. Noxon's Hippodrome shows a combination of circus, wild west and carnival features which showed Anderson about three years ago, has leased the A. E. Moore circus lot and will exhibit there one week commencing Monday, April 5. The big aggregation will arrive Sunday, April 4th on their own special train. The grounds will be brilliantly illuminated at night, and the trolley company will furnish fast service to accommodate the crowds. This company caters specially to the ladies and children, and special police service has been secured for this event so that good order will be maintained throughout the engagement. The advertisements giving full details of the big show will appear soon. Watch for them.

A Real Surprise.

On last Friday, March 5, the daughters of Mrs. W. J. Vandiver surprised their good, sweet mother with an oldtime quilting, she being absent at the time gave them ample time to arrange for it without her knowing of it. The day was a most dreary one, raining in torrents at times, but this did not keep her dear friends away, as was seen for at 10 o'clock they came in one by one and were met at the door by Mrs. Theo. Watson and Emmie Vandiver, who ushered them up stairs to good warm rooms. After greeting the hostess, who had blipped up unaware the quilts were thought of. There they were all up and ready for work and it was wonderful how those old ladies could use their needles. Promptly at 12 o'clock an old fashioned dinner was served, the table being laden with all the good things to eat. The centerpiece was a huge bowl of buttercups as the sweet course was being served. The candles on the cake were lighted, 64 in number, which told the year of this dear mother. Those present were: Mrs. Eliza Hammond, Mrs. J. W. Greer, Mrs. John Kay, Mrs. F. Kowakki, Mrs. T. M. Vandiver, Mrs. E. M. Ducworth.

Mrs. J. W. White, Mrs. C. C. King, Mrs. Mary Jolly, Mrs. T. J. Webb, Mrs. Lucinda Welborn, Mrs. Lou Keaton, Mrs. Anton Rhody, Mrs. Sloan McConnell, Mrs. R. J. Pool, Mrs. John Bailey, Mrs. Theo. Watson. As the twilight began to fall there was a sound of music below calling all from their work to listen to that ever new song, "Beautiful Star of Heaven," played by Master Fred Watson, grandson of Mrs. Vandiver. Each one went away wishing the mother many more happy birthdays. The presents were numerous and beautiful, which told of their love for her.

TEN YEAR'S MISERY ENDED.

J. T. Chambers, merchant, Jonesboro, Ark., writes: "Foley Kidney Pills cured me of a ten-year standing case of rheumatism. I suffered miserably. A friend told me of being cured; so I used them, and they cured me, too." Most middle aged men and women are glad to learn that Foley Kidney Pills afford a way to escape sleep disturbing bladder weakness, backache, rheumatism, puffiness under eyes, stiff and swollen joints, and other ailments attributed to kidney trouble. Darken Gray Hair, Look Young, Pretty

Sage and Sulphur Darkens So Naturally That Nobody Can Tell

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound" you will get a large bottle of this famous old recipe for about 50 cents.

Don't stay gray. Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning, the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy.
