PUT SULPHUR ON AN ITCHING SKIN AND END ECZEMA

Says this old-time Eczema remedy is applied like cold cream.

Any irritation or breaking out on the face, arms, legs or body when accompanied by itching, or when the skin is dry and scaly, can be readily overcome by applying a little cold-cream sulphur, says a noted dermatologist. He states that cold-sulphur instantly allays the angry itching and irritation and soothes and heals the Eczema right up, leaving the skin clear and smooth. Cold-sulphur has occupied a secure position for many years in the treatment of various disorders because of its parasite-destroying property. Nothing has ever been found to take its place in treating the irritable and inflammatory skin affections. While not always establishing a permanent cure it never fails to subdue the itching irritation and drive the Eczema away and it is often years before any eruption again appears on the skin. These troubled skins of any drug store as ounce of cold-sulphur, which is applied to the affected parts in the same manner as an ordinary cold cream.

Zorada Izmar Clairvoyant Palmist Trance Medium Special Readings 50c. HOPEWELL NEWS. Quite a number of Hopewell people attended the debate at Lebanon Friday night. The subject was, "Is South Carolina Ready for Compulsory Education?" The debaters all did fine, but we believe our men don't want women to take the front in public speaking, they ought not to teach girls to speak in public by putting them on public debates. Mr. Thomas King, who was paralyzed some years ago, was out auto-riding yesterday afternoon. We are glad to know that he is able to be out for it does a "shut in" so much good to get out or some one to come to see them. He has had an attack of grippe. Mr. John Fowler and wife of Eliz and Twenty visited his father's family Sunday. Mrs. Chas Thompson spent Saturday and Sunday in Anderson with her father and brother's families sick folks. Mr. Wade Sanders' little son has been seriously ill but is better. Dr. J. O. Sanders' little daughter is very ill with pneumonia. Her mother has grippe, her father seriously ill with an attack of heart trouble. Mr. Claude McDaniell who has been away from home for the last three years is at home this year. The "old farm" is hard to beat. Mr. Zeph Mosley has the finest country raised colt we have seen. He was driving it Sunday. It is a beauty. It would pay to raise such colts.—Adv.
