Col. Joseph N. Brown, Commander of Camp Stephen D. Lee, U. C. V., has donated The Intelligence the following notice for publication:  
 Headquarters, Camp Stephen D. Lee, No. 57, U. C. V.  
 The following invitation has been received and accepted for the camp:

**CALOMEL WHEN BILIOUS? NO! STOP!**  
**MAKES YOU SICK AND SALIVATES**

**"Dodson's Liver Tonic" is Harmless To Clean Your Sluggish Liver and Bowels.**

Here's my guarantee—Go to any drug store and get a 60 cent bottle of Dodson's Liver Tonic. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tonic is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

**Burglary Insurance That Insures**

Burglars fear detection, consequently they do most of their work in the dark. It is a matter of record that well lighted towns, streets, and well lighted stores and dwellings are burglarized but seldom. Why is it that Bank and Jewelers usually leave a light burning in their places of business every night?

**Burglars are Desperate**

Would it not be wise and prudent to have a light placed on your back porch with the switch in your bedroom, or some other convenient place?

The cost is very trivial. Phone No. 223 and let us tell you how little it will cost.

**NOTICE OF ELECTION**  
 Notice is hereby given that in pursuance of the provisions of an act of the general assembly of this State, approved March 9th, A. D. 1915, and in accordance with the provisions of an order this day signed by J. Mack King, county supervisor of Anderson County, S. C., made in compliance with the provisions of said act, an election will be held at the usual voting precincts in Anderson County, S. C., Tuesday, March 30th, A. D. 1915, upon the question of issuing coupon bonds of the said county to the amount of \$750,000 for permanent road improvement. The commissioners of election shall appoint managers, and receive and tabulate the returns as in other elections. The polls shall open at 7 o'clock a. m. and close at 4 o'clock p. m., as provided by law. Said election shall be held under the laws governing the holding of general elections in this State. There shall be provided for each voting precinct one election box, together with two forms of ballots; on the one ballot shall be printed the words "For permanent road bonds in the sum of \$750,000—Yes;" on the other shall be printed the words "For permanent road bonds in the sum of \$750,000—No."

The qualification for suffrage: Managers of election shall require of every elector offering to vote at any election, before allowing him to vote the production of his registration certificate and proof of the payment of all taxes, including poll tax, assessed against him and collectible during the previous year. The production of a certificate of the receipt of the officer, authorized to collect such taxes shall be conclusive proof of the payment thereof.

Before the hour fixed for opening the polls managers and clerks must take and subscribe the constitutional oath. The chairman of the board of managers can administer the oath to the other members and to the clerk; a notary public must administer the oath to the chairman. The managers elect their chairman and clerk.

The managers have the power to fill a vacancy, and if none of the managers attend, the citizens can appoint from among the qualified voters, the managers, who, after being sworn, can conduct the election.

At the close of the election the managers and clerk must proceed publicly to open the ballot boxes and count the ballots therein, and continue without adjournment until the same is completed, and make a statement of the result for each office and sign the same. Within three days thereafter, the chairman of the board, or some one designated by the board, must deliver to the commissioners of election the poll list, the boxes containing the ballots and written statements of the results of the election.

The managers of said election shall serve without compensation. The commissioners of election shall report in duplicate one copy of which shall be filed in the office of the county supervisor of said county, and one copy with the secretary of state, and said duplicate reports shall be kept on perpetual record in said offices.

**Salts if Backache And Kidneys Hurt**  
 Stop eating meats for a while if your Bladder is troubling you.

When you wake up with backache and misery in the kidney region it generally means you have been eating too much meat, says a well known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and foggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water seals and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life-saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia water drink.
