Surgical Fittings a Specialty

The attention of Physicians, Surgeons, Nurses and Patients alike is called to our splendid facilities for correctly fitting women after operations or to assist in correcting abdominal dislocations, etc.

After Long Experience we find that

The Frolaset Corset

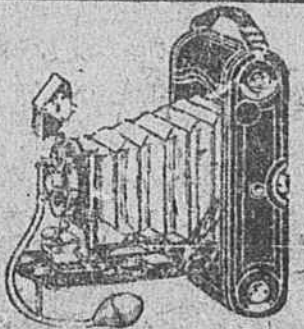

A Corset That Laces In Front

are best adapted for this purpose. Frolaset Corsets are designed on the CORRECT Front-Lace principle and constructed and boned so that the delicate organs of the body are gently but firmly held in correct position and no undue pressure is brought to bear on them.
