The quarterly business meeting of the Woman's Missionary Society of the First Baptist church was held on last Monday afternoon. At this time

the year books were given to each member present. They are beautifully gotten up and are a credit to the society. In them will be found the programs for the year and the names of those who will take part, also the constitution of the society and the names of the officers and committees. Then too, there are important facts in it that each one should know about mission work of Baptist women.

It was decided to celebrate the anniversary of the organization of the local missionary society by an all-day meeting on the 29th of April. An interesting program will be prepared and refreshments served. All the women are asked to keep this in mind and help to make it the best anniversary meeting ever held.

Christian Growth Club.
The Christian Growth Club held its regular meeting on last Friday. At this time the names of our missionaries were passed around and each girl drew one. They are to take these as their special missionaries to make scrap books of their lives, and of their work on the field, to write to them and to pray for them. We are sure this plan will quicken the missionary interest of the club. The members decided to have a sewing party soon for the Baptist Hospital in Columbia. Each one will bring a pound and after the sewing is finished games and refreshments will be enjoyed.
