The announcement that upon the retirement of F. M. Burnett as active manager of the Paramount Theatre, Henry Frierson is to assume Theatre, Henry Frierson is to assume the position of active man her comes with a great deal of interest at this time. Mr. Frierson is an Anderson boy and has had several years experience in the motion picture business. He is considered one of the best operators in this section of the country, and his friendss of whom he has a great number predict for him. has a great number predict for him great success.

The Paramount has already secured

a ermanent patronage, and, since Mr. Frierson has been with the Faramount from the beginning he has of course kept in very close touch with the policies of the directors. It is announced that instead of a feature a day that only two or three Paramount features will be shown each week and that a high grade of varied programs of not less than four reels will be shown the other days. Of course the highly popular "Exploits of Elaine" will be continued as the usual Thurs-

day attraction.

As announced in today's Intelligen-As announced in today's intelligen-cer, F. M. Burnett has accepted a position with the trustees of Ander-son College, Mr. Burnett expresses himself as highly pleased with the prospects of the Paramount under the management of Mr. Frierson and is delighted that the directors have been able to secure an Anderson boy for this responsible position.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplesaness and all solys of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about fodr ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lewon juice, combined with lithis, and is harmless to flush clogged kidneys and atimulate them to normal getivity. It also neutralizes the acids in the urine so it no longer trritates, thus ending bladder disorders,
