ANOTHER MYSTERY CLEARED AWAY

VALUABLE LEGAL PAPERS LOST MANY YEARS AGO RECOVERED

ZORADO IZMAR IS CREATING A GENUINE SENSATION

Her Clairvoyant Powers, Penetrating Insight and Unerring Accuracy Completely Baffles Scientific Investigation—The Marvelous Tests She Has Performed, in the Last Few Weeks Prove the Magnitude of Her Strange and Wonderful Power—She Does Such Things that Callers Look Upon Her as a Visitor from an Undiscovered World.

Locked in that mysterious sleep, when the soul shakes off its mortal shackles, Zorado Izmar, the living, breathing proof of the power of clairvoyance, reads the future fate of individuals, and predicts the outcome of their daily affairs.

No other living reader who has ever visited Anderson can lay claim to as many successful readings and locating valuables as can Zorado Izmar, and there are hundreds ready to vouch for such claims. Only a few days ago one of our leading citizens, called on this marvelous trance medium in regard to some valuable papers that had been lost for many years. She soon located the papers to the joy of the owner and to her own financial welfare.

A husband and wife had become estranged. There was no real reason for it, as there seldom is, but still there was a separation. One of them laid the case before Zorado Izmar,

and the husband and wife have had a glorious reunion, the clouds of discord have been dispelled. There is sunshine in that home today. Happy tranquility has taken the place of turbulence.

An engagement of marriage had been broken, there was a very unhappy young woman on one hand, and a not too delighted young man on the other. Each had a hand in that breach. Zorado Izmar brought them two separated ones together; the sacred contract has been renewed, and a home is being prepared for the bride and groom. Each has seen the error that caused them to drift apart; their eyes are opened now, and who was it that caused them to see?

Zorado Izmar fully understands the responsible position she is placed in by the remarkable gift she is endowed with and she will try her best to help those who need advice and do it in her power to show all of her honest callers plainly and in forcible language how to gain happiness and prosperity. She accomplishes what she claims. If not, no charge is made. The price of a full life reading is but \$1. All business sacred and confidential. Remember that your prospects of today may be your fortune tomorrow, if rightly handled.

If you wish the services of Zorado Izmar call at 408 N. McDuffie St., one block east of the Post Office, near the standpipe.

Some Cynic He.

The office boy in a law office of this town himself hopes to be a lawyer some day. He has begun his studies already by asking questions of the clerks whenever he hears a legal term about which he desires information.

The other day he approached one of the clerks with this question: "What do you mean by a contingent fee?"

"It's like this," explained the clerk. "If you lose the case your lawyer gets nothing, if you win you get nothing."
