HELPFUL SESSION OF HOMEKEEPERS' CLUB

County Organization Met at Noon Yesterday at the Chamber of Commerce.

Thirty-six women, members of the Hammond, Mountain Creek and Lebanon school districts homekeepers clubs, met yesterday at noon at the chamber of commerce in the second monthly meeting of the Anderson County Homekeepers' club, an organization composed of the three smaller bodies of the respective school districts. Interesting and helpful talks on the subject of the kitchen featured the meeting yesterday.

The discussion was led by Mrs. T. A. Wigginton, who was followed by Mrs. Pat W. Major and others. Delightful refreshments were served by Misses Claudia Breazeale and Canni Kelley.

The next meeting of the county club will be held about the middle of May. At this meeting, the organizer and director of the work, Miss Janie C. Garlington, will conduct for the benefit of the members present a number of tests of canned articles of food which are bought off the shelves of the ordinary store.

Col. Andrews Will Filed.

RALEIGH, N. C., April 24.—The will of Col. A. B. Andrews, first vice president of the Southern Railway Company was filed here today for probate and leaves the bulk of an estimated estate of \$500,000 to his wife, Mrs. Julia M. Andrews. Ten thousand dollars is given to each of five children. The will also provides that Mrs. Andrews shall have \$9,000 annuity.

Roosevelt Gets Day's Rest.

SYRACUSE, April 24.—Colonel Roosevelt today rested from his four days on the witness stand in William Barnes' fifty thousand dollar suit for alleged libel.

He conferred with his counsel and took a long auto ride. It was believed doubtful tonight that the case will reach the jury before two weeks.

CHILD GETS SICK CROSS, FEVERISH IF CONSTIPATED

"California Syrup of Figs" can't harm tender stomach or bowels.

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother. If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

ANDERSON BOY HAS LANDED A BIG JOB

A. CARL LEE RESIDENT ENGINEER FOR BIG HYDRO-ELECTRIC PLANT

ON THE CATAWABA

Development Will Represent An Expenditure of Something Like \$1,500,000.

Friends throughout the State of an old Anderson boy, A. Carl Lee, who for the past five years has been engineer of maintenance of way and purchasing agent for the Piedmont & Northern lines, will be delighted to learn that he has been appointed to the responsible position of resident engineer for the Southern Power company at the big hydro-electric plant which is to be built on Catawba River, in Chester county.

Mr. and Mrs. Lee came over yesterday from Greenville, where Mr. Lee has had his headquarters, to spend the week-end with relatives in Anderson. They will return to Greenville today and on May 1 Mr. Lee will sever his connection with the Piedmont & Northern Railway and leave for the scene of his new work.

Sometime ago, it will be recalled, plans were announced for the construction of another big hydro-electric plant on the Catawba, in Chester county. The contract was awarded to the Hardaway Construction company of Columbus, Ga., and already the contractors are on the ground and have preliminary work under way.

This is to be a plant of 35,000 horse power, and will be the third in a chain of three great hydro-electric developments on this river. Already two 35,000 horse power have been constructed, one at Great Falls, three miles below where the new one is to be built, and the other at Flocky Creek, two miles below the Great Falls plant.

The new plant is to be built at Nitroles, where there has been constructed a plant for the manufacture of fertilizer material out of nitrogen taken from the air. Mr. Lee will be on the new job for about two years. The development will represent an expenditure of about a million and a half dollars.

FUNERAL MRS. MARTHA LESSER AT COLUMBIA

When You think of GOOD Clothes Think of Parker & Bolt

AN INTERVIEW WITH MR. FORD

The following interview was given by Mr. Ford to one of the aggressive Ford agents, who returned to his home and gave it to his territory in the following newspaper advertisement.

This is the most Important Advertisement I Ever Caused to be Published.—Read Every Word—and then Marvel!

On a personal visit to Mr. Henry Ford I broached the subject of a possible August 1st Rebate.

The Ford Company announced last year—as you will remember—that if their total sales reached 300,000 cars between August 1, 1914, and August 1, 1915, each purchaser during that period would receive back a refund of \$40.00 to \$60.00.

"Mr. Ford," I suggested, "Is there anything I can say to our people with regard to the Ford Company's 300,000 car rebate plan?"

"We shall sell the 300,000," was the quiet reply—"and in 11 months, a full month ahead of August 1st!"

"Then a refund is practically assured?"

"Yes—barring the totally unexpected. We are 50,000 to 75,000 cars behind orders today. Factory and branches are sending out 1800 daily."

I then said to Mr. Ford: "If I could make a definite refund statement we would increase our local sales 500 cars."

"You may say," was Mr. Ford's deliberate and significant reply to this—"You may say that we shall pay back to each purchaser of a Ford car between August 1, 1914, and August 1, 1915, barring the unforeseen, the sum of \$50. You may say that I authorized you to make this statement!"

What can I add to the above? \$15,000,000 cash coming back to Ford owners! And to prospective Ford owners up to August 1, 1915, it actually means—Ford Touring Cars for \$490—less the \$50 rebate! Ford Runabouts for \$440—less the \$50 rebate! What is there left for me to say!

BRIDE-GROOM GETS IN THE GALABOOSE

Lester Manly Young White Man Charged With Stealing and Carrying Pistol.

Charged with carrying an unlawful pistol and with petit larceny, to wit, stealing a pistol, a young white man named Lester Manly, a bride-groom of but a day, was arrested last night and confined in a cell at the police station.

It is alleged that Manly stole the pistol from a relative, but Manly asserts that the son of his relative gave him the weapon to keep, so that the threats of the older man to take his pistol and shoot someone would be broken up. The police claim they got the pistol off Manly's person, so there is not much explanation the prisoner can make of that circumstance.

Manly was married last night to a young girl who he says originally came from Piedmont. The man states that he came here some two weeks ago from Hart County, Ga., and that the girl to whom he was married Friday night, came here about the same time.

FOOD SOURING IN STOMACH CAUSES INDIGESTION, GAS

"Pape's Diapepsin" ends all stomach distress in five minutes.

Wonder what upset your stomach— which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.
