his native town long ago:
"The match, married men versus single men, was in progress. The 'married' innings had closed with a total of 37, toward which Jones, the local grocer, had contributed a lucky 20. Scarcely had the 'singles' commenced to bat when the startling news of a local train disaster reached the ground, whereupon Jones evidenced a worried look.
"'What's the matter, Jones?' ask-

Well,' Jones replied, reflectively,

"'Too bad, old man. I'm sorry,'

WASHINGTON, April 27.—Mes-sages sent by President Wilson and Liven up your sluggish liver! Feel fine and cheerfil; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel because it makes you sick and you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crashes into sour bile like dynamite, breaking it up. That's when you feel that awful nauses and cramping.

Listen to me! If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonfult of harmless Dodson's Liver.

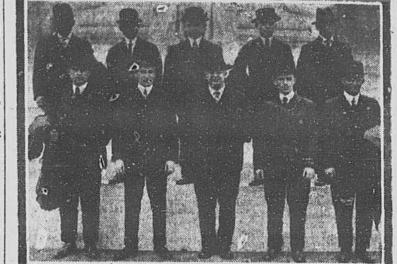

dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working; headache and dizziness gone; atomach will be sweet and bowels regular.

Dodson's Liver Tone is entirely vegetable, therefore harmless and can not salive to your children.

Millions of people are using Dodson's Liver Tone instead of dangerous calomel how. "What shall we do for our husbands?" was the borden of the inquiry that ran through the reports of many of the clubs at the meeting of the legislative committee of the St. Louis District of Women's Clubs.

Mrs. G. F. Coleman, president of the Minerva club, said that her club gives three entertainments a year for the special benefit of the husbands. Miss Jane Wood of the Tuxedo club wanted to know if there were any stray husbands in the club that she could take care of, and a visitor from Chicago, Mrs. A. B. Wolf, said that her husband was always a very obliging affinity for other clubwomen. Mrs. Gilbert Fox gave as her opinion that the clubwoman herself does not take any more pride in her club
