The Outlook Grows Brighter.

Now that one of the very best crops that we have made in years is being harvested, and what we want to put on the market for sale is bringing the best prices. We heard a renter say the other day that it was the first time he could remember when he had good crops and good prices together. The outlook is growing brighter in every way. The government is settling down to a basis that will compel the confidence of our country at large and whenever you establish the confidence of the people in the business world you will have a prosperous time. There is plenty of money to be put into circulation, and when the men who have money have faith in the government they will invest their money in business that will put it into circulation. Then our people are learning to help themselves more and more every year. They are learning how to make corn on upland, and how to make better crops of every kind and they are raising more supplies for home use, and soon the cotton crop will be the surplus crop, as it should be. Never do we remember to have seen so much forage in one fall as we have seen this, and the weather has been ideal to gather it. Many of our farmers have raised hogs enough to supply themselves with meat. In many sections our people have plenty and to spare. We surely ought to be a very grateful people.

E. P. McCravery
for U. S. Senate

The following is taken from the Columbia Record of October 8th:

A third candidate has entered the field for the United States Senate. Information from the up-country today is to the effect that E. P. McCravery of Pickens county has definitely decided to enter the field for the United States Senate against Governor Blease and the incumbent, Senator Ellison D. Smith.

The information came to Columbia in a letter from V. B. Cheshire of Anderson, who is in the race for congressman from the third congressional district. Mr. Cheshire writes that he was in Pickens Sunday and met Mr. McCravery, who stated he would make the race for the Senate.

Mr. McCravery is well known at the State-house in Columbia. He introduced and succeeded in having passed the local option compulsory education bill that finally met its fate in the general assembly, upon veto, after a hard battle.

The following is taken from the Anderson Intelligencer of October 10:

Easley, Oct. 7.—E. P. McCravery of Easley, a member of the State House of Representatives, today announced that should he run for the Senate, which he has not yet decided to do, he will make the race on a platform calling for federal aid for the common schools. Mr. McCravery said that he had not yet reached a decision as to the campaign for the Senate in 1914, and did not expect to until after the legislative session of that year.

Mr. McCravery, who introduced the local option compulsory education bill which was vetoed during the last session of the legislature, declared that his prime object would be to secure better schools. His idea, he said, was to secure federal aid for the public school systems of the country.

What action the legislature takes at its next session, he said, will determine his course as to running.

A dispatch from Columbia says:

It is practically certain that there will be a third man in the race for the United States Senate from South Carolina. The third candidate is A. F. Lever, member of Congress from the seventh district and chairman of the Agricultural Committee of the House.

Remember we are still giving away Keon Cutters. This offer will positively not last longer than October 31st.

FALL ANNOUNCEMENT

The Store of the People

Yes, this is its true name--The Store of the People. It has proved its ability and has demonstrated its wonderful resources and has shown its willingness to meet all the people's varied wants at all times--and its success is due to their assistance and patronage. It would be difficult to describe our stock in so small a space, but if one word could do so that word would be COMPLETE. Not one thing even to the smallest detail has been overlooked.

Our immense assortment of dependable merchandise and the low money saving prices at which the goods are marked should appeal to your good taste and your pocket book.

Below we enumerate some of the many lines on which we excel.

Shoe Department

Men's Shoes

We say it without fear of contradiction, that we have the best line of Shoes in the county--such lines as Boyden's and Walk-Overs in the dress shoes, and Endicott-Johnson's line of work shoes cannot be excelled. If one style does not suit you there are twenty others and when we are through fitting you, you are satisfactorily shod and will never be ashamed to show your feet.

Just as natural for us to lead in values as it is for others to follow.

Dry Goods Dep't.

Our Dry Goods Department is stocked with all the new fabrics. Rates, all colors, 25c to \$1.00 a yard. Serges and Panamas; all colors, 25c to \$1-25 a yard. Whip Cords, 25c to \$1.00 a yard.

We have a large assortment of other dress goods in all fabrics and colors. New dress goods have been coming in daily and we are prepared to fit you up with any of the new fabrics, with trimmings to match.

Corsets.

In order to have your new Fall dresses fit properly, they should be fitted over the corset you intend wearing. Our stock of The American Lady Corset is complete in all sizes for Ladies and Misses.

Neckwear

All the new weaves and something nobby in a velvet--in reds, purples, blues, greens and browns at 50c. This item is up to the minute. Also an excellent line of 25c goods.

Dress Shirts, 50c, \$1.00 and \$1.50.
Work Shirts, the best in the world, for 50c.
Winter Underwear and Sweaters, all prices.
Carhart Overalls and Gloves.

We make prices that make our business bigger.

Ladies' Shoes

We have sold for several seasons the Godman Shoe for women and children, without a complaint. Women's shoes, guaranteed solid leather, in Kid and Gun Metal, from \$1.50 to \$3.00. Children's shoes from 25c to \$2.50. None better at any price; none as good at these prices.

We have added to our stock this season the famous Wood line of Shoes for misses and children. This is an excellent line of goods, and will have to be seen to be appreciated.

And then in better grade of Ladies' Shoes we have the Zeigler. \$3.00, \$3.50 and \$4.00 in Tans, Kid and Gun Metal. Comfortable foot service is what you get out of a pair of shoes--shoes that fit well always feel easier, look better and stand more wear than those that don't. We consider this a strong point in favor of the Zeigler shoe.

Trying to do better elsewhere than here is like trying to find the North Pole.

Fine Tailored Suits for Women.

Man tailored--which means, the seams have been pressed as only man's strength can do it, so the suits have the best possible hang. We have some wonderful and valuable--Perfect Styles and all the new fabrics, from \$7.50 to \$25.00.

We have also a nice selection of odd shirts and long cloaks for ladies, misses and children, and the prices are considerably cheaper than you might imagine, considering the quality and make-up.

We are prepared to fit up the little folks too with cloaks.

We have goods at the lowest prices at which it is safe to buy, and at the highest at which it is worth while.

Hardware Dep't.

How about a new stove this Fall? We have recently received a shipment of Ranges, Cooking and Heating Stoves. These ranges are perfect in construction, economical and satisfactory in operation. If you are in the market for a stove of any kind it will be to your interest to look at our line. Remember we still handle the old reliable "Iron King" cook stove--"The Best what is."

Turn Plows.

Our stock of turn plows is complete now, for fall plowing; also an unbroken stock of points for all sizes. Heretofore we have pushed the Lynchburg Turn Plow because the many users assure us that they like them better every year. After all, the proof of the plow is in the use.

Our stock of Hardware is complete. We carry at all times Nails, Roofing, Farm Implements, Barbed Wire, Locks, all kinds of Tools, and a good selection of Granite Ware--the ideal kitchen cooking ware because of its smooth surface, light weight, and it is easy to clean.

Harness

Buggy Harness from \$12.00 to \$30.00. Also kept at all times both riding and work Bridles, Lines, Slip Harness, and any odd piece that you may need for Wagon or Buggy Harness.

Collars, Collar Pads and Gig Pads, all sizes and prices.

We are exceptionally strong on Blue Serges this season. Our reputation for carrying the best in these suits is established. Other lines in Cassimores, Worsteds and Cheviots to fit any pocket book.

Overcoats

We have an exceptionally good line of Overcoats and Cravonettes, real nice and real reasonable in price. You will be caught some of these cool nights and wish you had one of them. All sizes and prices.

Don't forget us on Pictures and Frames, Comforts, Underwear, Shirtings, Trunks and Suit Cases, Embroideries and Laces, Men's and Ladies' Collars; Ladies' and Children's Hosiery, 10c to 50c; Rainsticks--a fine selection, 50c to \$2.50; we have a good umbrella for \$1.00.

Hats

John B. Stetson--you know what they are--all the new shapes, \$3.50 to \$5.00. We also have a nobby line of cheaper hats from \$1.00 up. It may be easy to match the price, but hard to match the quality.

Grocery Department

This department is always kept strictly up to the standard. We get the best that money will buy and sell it as cheap as others ask for inferior quality. In fact, this grocery department will more than hold up the well known high standard of the Company.

Sunbeam Flour--When buying flour it is always best to buy a brand of established quality. This is what you get in "Sunbeam." It's an all-round flour of the choicest kind--weighed in the balance and found NOT wanting. Made of soft wheat and not excelled by any other.

MITCHELL WAGONS--We have been handling the Mitchell Wagon for years and we stand behind every one. Time tested and true. The wagon you will EVENTUALLY BUY--why not NOW?

Chase City and Babcock Buggies--Are you going to need a new buggy this Fall? Just received a car rest--for the price. The Babcock needs no introduction. It has always been the standard.

FURNITURE--Whether you have an entire house to fit out or just a single piece to buy it will pay you to come here and look over our line of Furniture. Nowhere else do we believe will be seen such originality and beauty of design, and such quality at the price. Graceful Parlor Furniture, Bed Room Suits, Dining Tables and Chairs, Rockers and Center Tables, Safes and Kitchen Cabinets, Odd Beds, Bureaus, etc., Mattresses and Springs.
