PICKENS, S. C.

NOVEMBER 27, 1913

Entered as Second Class Mail Matter
GARY HOTT MANAGER

The Sentinel is not responsible for the views of its correspondents.

We know a white man named Black.

It's a whole lot easier to "go back" than it is to "come back."

How would you like to be night-watchman in a brewery?

We have a "hunch" that John L. McLaughlin will run for governor.

Candidate Kelley says he will be next lieutenant-governor of South Carolina. Like Kelley will.

Inquiring Subscriber: The easiest thing we know of is telling other people how they should run their business.

Antiquarians say the slit gown was known to the Romans. And the Anderso's Mail remarks, "Yes, and look what happened to the Romans."

The Sentinel is published a day earlier than usual this week, because there will be no mail on rural routes Thursday, and we believe our readers want their papers before Friday.

The picture of Francis B. Sayre published in The State was probably taken since the announcement of his approaching marriage to the president's daughter. It shows him laughing.

There is an old-time ring about The Pickens Sentinel this week that is most pleasing. Somebody who has evidently been off for a while has evidently returned to the job.—Greenville Piedmont.

Cheshire's Harpoon says: "If I had to be tried for my life, I would hate to have a man on the jury who didn't subscribe and pay for his county paper. I would be afraid he couldn't tell a point of law from a Chinese laundry receipt."

John L. McLaughlin says he will enter the race for Governor of South Carolina if the people want him to serve them. It appears to us that the best way for Mr. McLaughlin to find out whether the people want him for governor or not is to enter the race.

Said a fair young lady from Me. (With ideas unusually se.) "I like to be fair."

But I declare These suffragettes give me a pe."

Pleasant Grove Letter

Nov. 17.—Corn shuckings and chicken pies are now the order of the day.

The recent cold weather damaged cotton crops in this section about 20 per cent, and it will be about Christmas before some of the farmers get thru picking, altho corn crops are the best we have had in several years.

The farmers are taking advantage of the present pretty weather and sowing small grain.

Pleasant Grove Baptist church has purchased from the Kimball Organ Co. a nice church organ. It is sure a beauty and is nice proof.

A. B. Talley, who was badly hurt a few weeks ago, is able to knock around again.

W. D. Hendricks is now cutting some nice lumber at his place of business in this section.

Your writer will be glad if he can live for the time to come when he can vote for no whiskey in South Carolina. Not because it has any influence over me personally, but because I have heard of and seen so many bad crimes caused by the damnable stuff. Now, Progressive, when the time comes for us to vote for prohibition in South Carolina will you, for one, take all your friends and neighbors and go to the ballot box and cast your vote for no whiskey, and stand on that side? And don't be like that man astride of the fence.

Healthy Liver Makes Beauty

Famous Actress Finds that a Healthy Liver is Necessary to Good Looks and Youthfulness.

One of the best known women of the American stage is writing a series of articles on the preservation of beauty. She attaches great importance to keeping the liver active at all times, and she is right. Neither good looks nor happiness will stay long with any man or woman who lets the liver get lazy and sluggish.

It is not always safe to take calomel, the old liver remedy. Doctors agree that it is a very uncertain drug. But the Pickens Drug Co. have a remedy for sale that they guarantee to take the place of calomel absolutely, and still be harmless, causing no restriction of habit or diet. This remedy is Dodson's Liver Tonic.

Dodson's Liver Tonic is a pleasant-tasting vegetable liquid, but it starts the liver gently and surely and relieves constipation and biliousness so promptly that it has become a dependable remedy in thousands of homes in the United States. There are scores of families in this vicinity who will not be without it in the house and who would not think of starting on a trip without a bottle of it.

The Pickens Drug Co. have sold so much Dodson's Liver Tonic that they are convinced of its merit and will give any person his 50 cents back who buys a bottle and does not find that it takes the place of calomel to perfection. (adv.)

Oh! You Have Such Beautiful Hair!

What a pleasant thing to have said to You! And why shouldn't it be? You who envy others their lovely hair, and are ashamed of the dull, lifeless, stringy appearance of your own—use Harmony Hair Beautifier, and let others envy you.

This delightful liquid seems to polish and brighten the hair, giving it that burnished, lustrous look you have so often wished it might have, adding to its softness, making it easier to put up and "stay put"—making it more attractive and beautiful in every way. It overcomes the unpleasant, oily smell of your hair, leaving a dainty, rich rose perfume that will delight you and those around you. Very easy to apply—simply sprinkle a little on your hair each time before brushing. Contains no oil; will not change the color of hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Can't harm the hair; leaves no harshness or stickiness—just a sweet cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made.—Pickens Drug Co., Pickens, S. C.

2,705 Squares in One Pickens Quilt

Last winter we made mention of a quilt, in this county, containing 1,397 squares, and a few weeks later we learned of two others which beat this record—one being made of 1,953 squares and one of 2,268 squares. But if remained for a lady right here in Pickens to beat this record, by owning a quilt made of 2,705 different pieces. The quilt was made 45 years ago. We challenge anyone to beat this.
