This statement was made before of the legislature by J. G. Peters, amendment proposed by Senator chief of State co-operation, United Crouch was adopted that provides for States bureau of forestry.

economically expended during the the inquest. Counties exempted from

\$69,212.80 for work at State Park, according to the report. House.

By a vote of 52 to 52, the house refused to pass the bill providing for the sale of the State Hospital for the Insane and the transfer of the institution to State Park with the proceeds of the sale. The bill was introduced last session and continued until this session. It was opposed on several grounds, one of which was that the measure gave the commission appointed to sell the property too

Except for the fact that on the question of passing the bill to third reading two members of the house inadvertently voted not to do so and under the rules were not allowed to change their votes, the measure might have gone through. However, the house refused by a vote of 54 to 44 to reconsider the vote on which
