MANY PIANOS

Below is a record of Piano sales made during the last three years by Mr. F. H. TRAMMELL, of Trammell's Husical Palace, Pickens. You've heard the old and true saying, "The proof of the pudding is the eating H thereof," and the fact that year after-year the same salesman can make large sales in the same section speaks volumes.

Mr. Trammell has sold Pianos in different places

Pickens County, 51 Pianos. Out of \$2 Pianos in the town of Pickens, he has sold 22.

Oconee County, 55. Out of 60 Pianos in Westminster he has sold 27.

Greenville, 15. Anderson, 7. Greenwood, 2.

This record by far exceeds that of any other Piano salesman in the state. Besides the Pianos, Mr. Tram-MELL has sold a large number of Organs.

During this time Mr. Trammell was selling Pianos for someone else, and now that he has opened up a business of his own in Pickens, he will greatly appreciate the patronage of the good people of Pickens county and guarantees satisfaction.
