

Manning is The Man

FOR GOVERNOR OF SOUTH CAROLINA

When He is Elected We Shall Have:

1. A Clean Business Administration.
2. A State Government for all the People.
3. Efficiency in the Executive Department.
4. Co-operation Among the State Officials.
5. A Progressive Program of Legislation Embodying Constructive Measures.
6. Enforcement of the Laws in South Carolina.
7. A Judicious Use of the Pardon-ing Power.

Democrats of South Carolina

It is your duty to go to the polls on September the 8th and vote in the second primary. So far only a partial victory has been gained. The election of a governor is the people's fight; he is in the State all the time; he can be reached by the humblest man; he is the governor, but the servant of every man in the State. Mr. Manning will be elected governor if the people go to the polls and vote on September 8.

There will be many eleventh hour falsehoods spread and from past experience the voters of this State should know that these below-the-belt ought not to be believed. Make up your minds now to vote for good government.

There will be attempts to cloud the issue but the people cannot be fooled. DON'T STOP WORKING FOR LAW AND ORDER AND GOOD GOVERNMENT UNTIL THE LAST VOTE IS COUNTED.

The farmers of the State are going to stand to Mr. Manning, a farmer himself, who knows the A. B. C. of farm conditions and who has been foremost in bettering rural conditions. He is working now to help in the fight to relieve the cotton situation and he has already done much to help the planters of his State at other times.

A good many old Clemson men of Pickens county attended the "home coming" at the college last week and all report a great time. About five hundred old students of the college were present.

Do your duty by your state and county by going out to the polls on Tuesday, September 8, and voting for the men whom you think will make the best officers. We hope Pickens county will poll its full vote.

In our tabulated presentment of the election returns this week the total vote for Mr. Horton appears 361. This is an error and should be 469. The vote by precincts is correct, only the total being an error.

A lady who wished to purchase a present for a baby last week went into the Pickens Drug Co. store and asked Vincent Hamilton, the accommodating drug clerk, if they had anything nice for babies. With a doctored expression Vincent answered that they had Castoria.

Among the eleventh hour tales reported was one that A. S. Porter, candidate for magistrate, was a Roman Catholic. When a prominent citizen heard this tale he promptly spiked it with the reply that "it was a mistake; Porter didn't have any religion at all."

The hundreds of friends of Ernest Alexander are delighted to know that he is able to be up and about after being sick of the fever for three weeks. Tho able to be up it will be a week or two before he will be able to go back to his place at the Pickens Hardware and Grocery Co., of which firm he is a member.

In the local last week about little Miss Lydia McLain Wiggins we should have made mention of the fact that the water used in her baptism came from the River Jordan, her father having gotten it out of that river while in the old country last year.

A protracted meeting will begin at the Methodist church here Sunday morning. The pastor will do the preaching and services will be held at 11 and 8 o'clock each day. The other churches of the town are invited to take an active part in the meeting and everybody is invited to attend.

Another farmers meeting will be held in the court house here Wednesday morning, September 9. Every farmer is invited to attend and take part in the meeting. If the farmers do not look after their own interests, how can they expect others to look after it for them?

The Pickens Graded-High school will begin its next session Monday, September 14. Preparations for the opening are now being made and it is hoped that every child who expects to attend be present the first day. This is important. An incidental fee of \$1.00 per pupil will be charged and should be paid the first day of school.

Prof. J. W. Ballentine and family will leave Pickens this week for McClellansville, where he has accepted a position as principal of a school. During the four years these excellent people have been in Pickens they have made many friends who are sincerely sorry to give them up, but who wish them all success and good fortune in their new home. They will be long remembered in Pickens.

Bailey Robinson has used up all the available space in Pickens county as a burying ground, has buried several in Oconee and Anderson counties and some in Rabun and Habersham, Georgia, and is now in Tennessee looking for more ground. Mr. Editor: Please allow me space in your valuable paper to extend my heartfelt thanks to my friends for the flattering vote that I received on the 25th, and to thank them in advance for anything they may do for me on the 8th of September. Respectfully, HENRY A. TOWNES.

From Mr. Lawrence

Dear Mr. Editor: Please allow me space in your valuable paper, The Sentinel, to thank my friends and voters of Pickens county for the flattering vote given me on August 25. I appreciate the vote from the very day of my heart and it brings tears of joy to my heart to think of the confidence the people have placed in me. I hope and trust to our Father in heaven to prove to the people a faithful and obedient servant. May God bless each and every one. I am your servant. J. M. LAWRENCE.

From Mr. Powers

Mr. Editor: Please allow me space in your valuable paper to thank my many friends in Pickens county for their very liberal support which they gave me on the 25th. Words fail to express my appreciation for the favor conferred. This can only be proven by dutiful service in the future if elected. I assure each and every voter of Pickens county I have a clear conscience toward everyone, and shall gratefully appreciate any favors on the 8th of September. Faithfully yours to serve, BENNETT H. POWERS.

From Mr. Christopher

I take this method of thanking my friends for their hearty support in the first primary election. I trust that you will remember me in the second. During the two weeks intervening between the first primary election and the second, I have been compelled to attend to the pressing business of the Auditor's office and have thereby not had time to canvass the county. Again thanking you for past favors and assuring you that your support will be appreciated, I am Yours very truly, N. A. CHRISTOPHER.

A Word From Wyatt Aiken

Allow me to thank my friends for their splendid support on August 25. I lacked only a few votes of the vote that my three competitors and have every reason to believe that I shall be successful by a large majority on Sept. 8. If my friends will go to the polls and give me the same valuable help as in the past, I am confident that my success will be overwhelming. It is impossible for me to express my genuine and deep appreciation and gratitude for the magnificent vote I have received and the confidence I can only promise in case of my re-election to give the people of the Third District the same faithful service that I have given them in the past. Sincerely, WYATT AIKEN.

From Mr. Brown

I fall to find words in the English vocabulary sufficient to express my gratitude and appreciation for the vote that I received in the primary on August 25. While I was defeated, I consider that I made an honorable race and was defeated by as good a man as Pickens county affords. A man who never has been defeated for election. I further have the pleasure of knowing that I went down with clean hands. I never spoke aught of my opponent, never hired anyone to work for me or resorted to any underhanded schemes. I presented my claims in a fair and square way and then left the matter in the hands of the people. While I am sincerely sorry that the majority of the people failed to take my condition into consideration, I bow in humble submission to the will of the people without any ill will toward any man and hope no one holds any toward me. As the Lord has taken care of a man who never has been in the days past and gone, I shall continue to put my trust in him and believe he will do likewise in the future. Again thanking my friends, I am, Fraternally, J. ALONZO BROWN.

Mr. Editor:—After some delay we will give you a few dots from this section once more. I will begin by saying that all is quiet over here and, while we gather in the fodder, we will decide for whom we will vote in the September election, as we have them so thinned out that we can better see how to vote. And let us say right here that we trust the best men will be elected, from governor down to magistrate. Over here in Dacusville we have a second race for magistrate, and we will vote almost as lively on that as we did for United States Senator. Boys, if you don't vote like I do you won't vote right, i. e., for whom you please. To the candidates we will say be patient and we will try to remember you on the 8th of September.

The many friends of Mrs. E. T. Edens, who has been very sick, will be glad to learn that she is able to be out again. Dr. W. M. Ponder is the attending physician.
