PICKENS DRUG COMPANY
The Rexall Store
J. N. HALLUM, Proprietor

Local and Personal

All subscriptions to The Pickens Sentinel which are not paid in advance by January 1, 1915, will be discontinued. We hope we shall not have to discontinue a single subscription, but in order to be fair and square to all of our subscribers we positively cannot make an exception to the cash-in-advance rule. It would be manifestly unfair for us to discontinue some and let others run over, and its an impossibility to successfully conduct the paper on the credit system. Attend to this today ere you forget it.

W. F. Johnson of Central was here on business Tuesday.

W. J. Kelley of Central route 3 was in town on business last Friday.

G. S. Porter of Liberty route 3 was in Pickens Saturday on business.

Mrs. Isiah Cox is visiting friends and relatives in Washington, D. C.

The Pickens school will close Friday for a two weeks vacation during the holidays.

Taylor H. Stewart was the delegate from the local Masonic lodge to the grand lodge which met at Charleston last week. He has returned and reports a royal time.

We sincerely regret to chronicle the illness of Greg T. Mauldin, one of our merchants. He is confined to his home with pneumonia. His many friends are hoping for him a speedy recovery.

Friends all over the county of Clerk of Court A. J. Boggs will be sorry to learn that his health is not improving very fast. For the past month Mr. Boggs has been confined to his home. We join with other friends in wishing that his good health may be speedily restored to him.

Mr. Elias Mauldin, of the Easley section, was a welcome visitor in town Monday, as a gay as a peacock. The reason was that he wore a beautiful gray jeans suit "made in Pickens county." The suit was woven and made by Mrs. Fred Williams.

The first snow of the season here fell Saturday night, barely covering the ground. We have been overwhelmed with requests to republish our famous snow poem this week, but owing to the fact a great many people are already feeling bad we refrain from publishing the poem just now.

R. C. Gantt, who has been conducting a general store at Greenville, has moved his stock to the Nealey old stand Pickens West End and is prepared to serve the trade in good style. His stock consists of dry notions, groceries, etc., and he will appreciate all business given him. He has also moved his family to West End.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed. No matter how long it has existed, it can be cured. We will give One Hundred Dollars for any case of deafness cured by our method. Send for circular, free. HALL'S CATARRH CURE, Send for circular, free. Sold by Druggists. P. J. CHAMBERLAIN, & CO., Toledo, Ohio. Take Hall's Family Pills for constipation.

'Um-m-m!
The other day while we were sitting under the juniper tree watching a tussle for supremacy between the sun and the clouds our mouth was watering for a good juicy apple and we were trying to figure out a scheme whereby we could get the four cents we lacked having enough to buy a nickel's worth of the luscious fruit, when Capt. "Billy" Allgood drove up and stopped in front of our sanctum sanctorium. We went over to greet the genial captain and he handed us a basket with a peck of apples in it, saying he had to come to town and just before he left his wife said he had better bring The Sentinel boys a few apples. (We sure are glad Mrs. Allgood happened to think about that.) The apples WERE of the Shockley variety, in fact pure Shockleys, and were just right for eating purposes. From the one small tree from which these apples were gathered Mr. Allgood gathered four bushels of apples.

This present and thoughtfulness were greatly appreciated by us and we assure Mr. and Mrs. Allgood of our hearty thanks.

Notice of Sale
I will sell at my home to the highest bidder on Saturday, Jan. 2, 1915, the following property: Two mules, one good Cutaway harrow, one Deering reaper, almost new, one Deering mowing machine and rake, one buggy and harness, one Chattanooga disc plow, one Acme smoothing harrow, and other farming tools. F. A. Hughes, Pickens, S. C. 33

Rev. N. G. Ballenger, who at one time was pastor of the Pickens Methodist church and lovingly remembered here, was recently assigned to the Seneca district in the Anderson district. For the past year or two Mr. Ballenger has been unable to preach regularly on account of ill health.

When Rev. and Mrs. L. E. Wiggins returned home from a visit to his mother in the lower part of the state Saturday they found that the members of the Methodist church had paid the parsonage a visit and left an abundance of groceries and other useful articles as a small token of their love and esteem for the popular pastor and wife. The people of Pickens are glad that Mr. Wiggins was returned to this charge.

The revenue officers and constables have been on the job in Pickens county lately. Only last week they destroyed four illicit distilleries and more than 3,500 gallons of beer in this county, all in the upper part of the county, one of the largest copper stills being on Laurel Fork mountain. The beer destroyed would have made nearly 200 gallons of whiskey. The officers also seized several gallons of shipped whiskey in different parts of the county last week.

Messrs. Wade Chastain, of near Pickens, and W. J. Bridges and Ferb Finley, of Easley, hunters of wide renown and reputation, spent two days last week hunting in the Rock Bottom section of the county with much success. Among the animals they killed was one of the largest wild cats ever seen in the county. They sent the skin of the wild cat to a taxidermist in Greenville and it will doubtless be on exhibition in Easley or Pickens.

Bill Bowen, one of the best known and most respected colored citizens of this county, died at his home near Secona church Saturday night, after a protracted illness. Old Bill was an honest and industrious negro and had accumulated a nice property. He was a small boy in slavery time and belonged to the Loopers of this county and his ways were typical of the old-time darky. Years ago, before The Sentinel put in an engine, Bill used to turn the "big" press every week and he always did his work quietly and well, never shirking. He leaves a large family. His body was laid to rest in the colored people's section of Secona cemetery.

Last Sunday saw the inauguration of the "blue laws" in Pickens, and now nothing but medicine can be bought here on Sunday, and it is said that you have to be pretty sick before you can get any medicine. You have to be suffering from something at least as bad as a snake bite, it is said. Pickens has had a Sunday closing law for some years, but it has not been enforced, because the majority of the people did not seem to be in favor of it being rigidly enforced. We understand that a recently circulated petition was the cause of law being put back into effect. In regard to the Sunday law Pickens is now in the class with Columbia, Anderson, Easley and Rice's Crossing.

Ben T. McDaniel, the popular book-keeper at the Heath-Bruce-Morrow Co., is also some raiser of hogs. Last week he killed two porkers which netted over 900 pounds. Pretty good for an office man, eh?

J. J. Gantt, a prominent member of Liberty, was a business visitor at Pickens last week. Mr. Gantt conducts a furniture store at Liberty and is this week offering his customers some very attractive bargains in furniture and house furnishings.

Mrs. J. T. Richey and daughter, Margaret, are visiting her parents in Columbia. Little Margaret, who has been seriously sick for some time is much better and on the road to complete recovery. Mr. Richey will join them in Columbia Saturday.

Rev. L. W. Johnson, who was assigned by the recent Methodist conference to the Pickens circuit has moved with his family into the parsonage of the circuit and is being welcomed by the members of his churches. Mr. Johnson will need a horse and buggy in his work and advertises for one in this paper, this week.

The Battle To Win

DIVERSIFIED CROPS AND INDEPENDENCE.
The Battle to Kill The All Cotton Practice

KANSAS, when a one crop state, was poor with most of her farms mortgaged. Today, with widely diversified crops, it is one of the richest states in the Union—her farmers rich and happy.

The South for 50 years an All Cotton Country is today staggering—hundreds of thousands of her farmers without food or homes—not knowing which way to turn—it's a horrible condition and it is going to take heroic effort and fighting—yes, real battle to bring about Diversified Farming and Independence for Our Southland.

We need great Generals—great leaders to help us in this great battle—but thank God, our Great Ruler—there never was a just and righteous cause to fight for that the leaders were wanting.

In this Great Cause—this great battle for the South's future prosperity, happiness and agricultural greatness, we have a truly great leader—one who has proved his ability and won his spurs by past achievement—one we can all trust.

We have enlisted with the Army under the leadership of this Tried and True Leader and ask and implore our friends and readers to join with us—that we can fight this, the South's Greatest Battle, with the assurance of an early victory.

Under the Leadership of The Progressive Farmer with a battle cry of Diversified Farming and Independence—let us all shoulder arms and forward march—and we will soon be back—Living at Home—Out of Debt—with Surplus Crops as Money Crops and not worrying about what cotton will bring next fall.

Talk won't accomplish anything—thinking about doing something won't get us anywhere—only intelligent action will bring us our rewards. So Act Today—fill out the following blank right now, and get the first commands of your Great General—The Progressive Farmer.

Of course, you must keep posted on the doings of your neighborhood, your county, your State and Nation, so you need your old Reliable County Paper more than ever—the blank offers you both at "A War Time Bargain Price."

Both these Great Papers Only \$1.50. You owe it to yourself—your family and your State to enter this Great Battle for the South's Independence, so don't hesitate—Don't delay—Act Now.

PUBLISHERS PICKENS SENTINEL,
Pickens, S. C. 1914

Dear Sirs:

There never was anyone in our family who failed to respond to their country's call and I now enlist in this Great War for the South's Independence and will fight with you to the last ditch.

Enclosed find \$1.50 for which send me THE PICKENS SENTINEL for one full year and THE PROGRESSIVE FARMER every week for an entire year.

Name

P. O. R. F. D. State

There is evidently more pork in this section than usual, from all reports. Only last week F. L. Finley, proprietor of the City market, ground approximately 1800 pounds of sausage, many farmers bringing the meat to him and having it ground. In two days alone he ground over 1000 pounds. There is also probably more corn in Pickens county now than ever before, and our people should be truly grateful that we are as well off as we are, and not in as bad shape as some of the "all cotton" counties.

Hon. B. A. ("Tobe") Morgan, of Greenville, has announced his candidacy for congress from the Fourth district. Mr. Morgan is a native of Pickens county, but has made his home for a long time in Greenville, where he is a leading lawyer and business man. He is a brother of Mrs. R. A. Bowen of Pickens, and has many friends in this county who will "pull" for him to be elected. The Fourth district is composed of Greenville, Spartanburg, Laurens and Union counties.
