That Robert Lansing of Indiana, counselor of the state department and secretary ad interim, will become successor to William Jennings Bryan, is taken from a statement made by President Wilson, that he would not go outside his official family for a premier in order to secure the services of a man who was already closely in touch with the foreign situation abroad. LEO FRANK WILL
NOT BE HANGED;
SLATON ALTERS
DEATH SENTENCE

Macon, Ga.—Leo M. Frank arrived in this city at 2:44 a. m., under heavy guard on his way to the state farm at Milledgeville, which is located in South Georgia, about 150 miles south of Atlanta.

Sheriff Mangum of Fulton County, who had Frank in charge, said that Frank's sentence had been commuted to life imprisonment by Governor Slaton.

The sheriff and his prisoner were transferred to an automobile and immediately left for the state farm, Frank was not handcuffed.

Frank Nervous.
There were only a few persons at the railway station here when Frank and his custodians arrived. Frank appeared to be nervous and his gait was unsteady. He was pale and at times had to be steadied by Sheriff

Frank Nervous.

Leo M. Frank

Leo M. Frank, who was sentenced to die for the murder of Mary Fagan is now in the state prison. His sentence was commuted by Governor Slaton.

Mangum and the deputies as he walked. Several persons recognized the prisoner as he left the train.

Atlanta, Ga.—Reports that Leo M. Frank had secretly been moved from the Fulton county jail and sent on a Central of Georgia train to the state farm at Milledgeville, Ga., persisted early in the morning. Officials at the terminal station asserted that Frank was on a train leaving here shortly after midnight. Governor Slaton declined to discuss the report and all efforts to confirm it in official quarters were unavailing.

The governor stated that Frank had been removed from Atlanta to the state farm at Milledgeville, Ga., by his order.

Big Battleship Launched.
New York.—The new battleship Arizona was successfully launched at the Brooklyn Navy Yard. The Arizona shares with her sister ship, the Pennsylvania, recently launched at Newport News, the honor of being the world's largest battleship.

She went to the river with the wine and water of her christening trickling in rivulets down her bow from two broken bottles that swung, bound together by a long red, white and blue cord of silk. Miss Esther Ross of Prescott, Ariz., the sponsor made a fair throw as the big hull quivered and slid slowly forward; the froth of the wine splattered her gown and the clothes of those in her party.

From the grandstand the christening was witnessed by Secretary Daniels, army and navy officers, Governor Hunt, Senator Ashurst and others.

Germans Angry Over Sinking U-29.
Berlin, via London.—A statement given out by the German Admiralty to the effect that the German submarine U-29 had been rammed and sunk by a British tank steamer after the vessel had been ordered to stop, is expected to have an important bearing on the German-American negotiations. Votes Full Crew Bill.
Harrisburg, Pa.—Governor Brumbaugh announced he had vetoed a bill designed to repeal the Pennsylvania full crew law. The bill was passed by the Legislature recently after an extensive publicity campaign. The governor issued several statements with the veto.

TEUTONIC ALLIES
SURE OF SUCCESS

NOT SINCE BEFORE BATTLE OF
MARNE HAVE ALLIES BEEN
SO CONFIDENT.

KAISER TAKES UP COMMAND

German Emperor Has Established
His Headquarters as Near Front
as is Practicable.

London.—After seven weeks' battering across Galicia during which the Russians have been thrown back more than 150 miles the Austro-Germans are as close to Lemberg as were the Germans to Paris last Fall. Never perhaps since before the battle of the Marne, have the Teutonic Allies appeared so confident of success. Having fallen in their original plan of crushing France and then returning to Russia, they have reversed the order of their strategy and now judging by the expenditure of life and ammunition in Galicia they have pinned their whole faith on paralyzing the Russian army to permit the throwing of a tremendous weight of men and metal into the west, there either to break through the Franco-British line or force an interminable period of sanguinary warfare.

A dispatch from Copenhagen says that the German Emperor himself has taken supreme command of the Galician campaign, establishing his headquarters in Silesia as near to the front as practicable.

Meanwhile the German official communication reports the further progress of the German-Austrian troops toward Lemberg. It claims as well that the Russians have been cleared from parts of the Dneister.

ANTI-GERMAN MOBS AT MOSCOW.
Wreck 500 Stores; \$20,000,000 Worth of Damage.

Petrograd, via London.—Moscow suffered damage to the amount of \$20,000,000 during the recent anti-German demonstrations in which nearly 500 stores and factories and more than 200 private lodgings were wrecked.

The infuriated mobs turned the city into wild disorder, according to eye-witnesses. From music stores, pianos and other musical instruments were hurled into the streets until the piles of wreckage made traffic impossible.

The rioters, heated with liquor found in the demolished wine stores, became reckless in their pillaging, burning many stores and apartments, the owners of which were Russians. Of the total number of buildings destroyed only 113 belonged to Austro-German subjects.

The demonstrations beginning early on June 9 lasted more than 24 hours. Buildings were burned and crumbled to ashes, and the fire departments although active throughout the disturbances found it impossible to cope with the flames.

Bryan Speaks at Carnegie Hall.
New York.—William Jennings Bryan, addressing a labor peace meeting at Carnegie Hall here, attacked former Presidents Roosevelt and Taft as leading sponsors of organizations which stood for the use of force in international affairs, and which the former secretary of state declared, were inimical to the true interests of this country and to the cause of international peace.

Preparations are being carried forward for installation of the automobile in the rural mail service wherever the roads will permit. Already some carriers are using automobiles on their routes.

Carranza Will Not Interfere.
Laredo, Texas.—Gustave Espinosa Mirales, private secretary to General Carranza and General Alfredo Ricaut, Carranza commander of Nuevo Laredo assured Gen. A. C. Devol of the American Red Cross, that Carranza officials would not oppose the transportation of Red Cross supplies through territory controlled by the Constitutionals. The Mexican officials declared, however that reports of food shortage in Mexico were greatly exaggerated. Two hundred red cross including Americans arrive.

Rural Policemen LaBoon and McKinney aided Sheriff Roark in the arrest.

Suicide Near Liberty

James Richards, 47 years of age, and a respected man of the Carmel church section near Liberty, was found last Saturday morning hanging dead at the end of a wagon line, attached to a rafter in the attic of his barn. He was found about five o'clock in the morning by Mrs. S. J. McWhorter, at the barn, where he had gone only a short while before to feed Mrs. McWhorter's stock, which he did before taking his life. He had apparently tied the line in the attic and placed the noose about his neck and jumped about eight feet out of the window in the barn loft. His neck was broken, Dr. F. S. Porter of Pickens made an examination of the body. No letter was found or cause given for the deed, only that the dead man had been restless for the last week or ten days. It was stated by his wife that he was a good man. He has lived on Berry J. McWhorter's place for years, Coroner Medlin held an inquest Saturday morning, and the verdict was "that James Richards came to his death by hanging."

Preceding the marriage service Mrs. Elmer Thurston played Mendelssohn's wedding march, and Miss Blanche Frazier sang "At Dawning." A large number of friends and relatives were gathered for the marriage.

The bride was given in marriage by her brother, Mr. Gordon Bulloch. Mr. Parsons, with his best man, Mr. T. H. Parsons of Atlanta, awaiting them at the altar. She was a lovely bride in her tailored suit of blue, with black hat trimmed with a parasol spray. Her flowers were bride roses and lilies of the valley.
