TIMES HAVE CHANGED!

A few years ago when a man died the question was asked: "Did he have any Insurance?" But times have changed a great deal since then. One of the first questions asked now when a man dies is how much Insurance did he have.

To get the best Insurance policy on the market, all you have to do is to give me your application therefor and let me have the medical examination made. Now, don't say to yourself that you don't need it. FOR THE HOSPITALS AND CEMETERIES ARE CROWDED WITH PEOPLE WHO SAID THE SAME THING, and at the time they were just as prosperous and just as healthy as you are today.
