Misses Ethel Leslie and Lake Ballentine of the Mount Zion community spent the week-end with Misses Hattie and Edna Earle.

Prof. John Lesley was in the city this week and called at The Sentinel office. Prof. Lesley is a great gospel singer and will be in a meeting at Piedmont for the next three weeks.

We indeed regret to chronicle the severe illness of Mrs. Robert E. Yongue and daughter, Henrietta. Miss Henrietta is suffering from an attack of appendicitis and will undergo an operation.

T. N. Jenkins, formerly a citizen of Pickens, but for the past several years a resident of North Carolina is on a visit to his son-in-law, Magistrate A. S. Porter, and shaking hands with former friends.

Earl Morris has quit his place with Hobbs-Henderson Co. in order to resume his studies in the Pickens school. Old reliable Ebb Field can now be found with this firm and will be glad to have his friends drop in and see him when in need of anything in his line.

The Pickens lodge K. of P., No. 123, had a good time Monday night. Past Grand Chancellor Wm. Goldsmith of Greenville, was present and delivered an instructive address to the Knights and citizens who were present. Refreshments were served and a good social time was enjoyed. Work to be done in first rank at next meeting in October.

Mr. and Mrs. Guy McFall delightfully entertained Mr. and Mrs. J. T. Partridge at dinner Monday evening in commemoration of the tenth anniversary of the marriage of Mr. and Mrs. Partridge. The affair was a complete surprise to the guests of honor. This being the "tin wedding" many useful presents made of tin were received by Mr. and Mrs. Partridge.

R. T. ("Bob") Griffin, a former citizen of Pickens who has been living in Williamston for the past several years, was here last week making arrangements for opening up another meat market in Pickens. We understand that he will open a market in the T. D. Harris store room near the Hiawatha hotel probably this week. Mr. Griffin will move his family back here.

T. Ed Stribling, a prominent citizen of Seneca, committed suicide in an outhouse in his yard last Tuesday, August 31, by shooting himself thru the head with a .38 calibre pistol. Ill health and business difficulties are supposed to be the cause of his act. Mr. Stribling was a cousin of both Mr. and Mrs. T. S. Stribling of Pickens and they attended the funeral services in Seneca.

Several weeks ago The Sentinel published an item about A. J. Pace bringing to this office a specimen of peas of which he did not know the name. Our fellowtownsman W. H. Ashmore says the peas are the old time "Partridge" peas which have played out in this section, but which at one time were plentiful here. The pods grow to a great length and the peas are red when ripe.

BALE YOUR HAY!

There are several reasons why it will pay you to bale your hay:

First: It will only occupy one-fifth the space required to store loose hay.

Second: Hay will bring good prices, and baled hay is in shape to market.

Third: Baled hay retains its strength and is more valuable for feeding.

We have in stock the I. H. C. Pull Power 14x18 Portable Press ready for delivery. Get our prices.

I SELL a lot of tobacco. My notion is it's because I know what good tobacco is and select the kind, cutters and spitters like. Then the price is always right; maybe a little less than right. Did you get your share of those elegant cups, saucers and plates? Then see at once. It surely pays to see T. D. Harris.
