RECIPE FOR GRAY HAIR.

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and 1/4 oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and removes dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.

A POSITIVE STATEMENT BY A BIG BUSINESS MAN

"Neglect of Apparently Unimportant
Conditions Wrecks Many a Healthy
Growing Business"

W. S. ELKIN, JR.

a prominent druggist of Atlanta, Ga., is authority for the above positive statement. In explaining this statement he asked two questions and offered one suggestion.

If a growing healthy business turns and begins to run down hill, what is the condition of the owner's health? Almost always, unusually bad.

What was the first cause of his poor health? Constipation.

This constipation could have been avoided by taking Rexall Orderlies occasionally. They are a pleasant candy tablet laxative which can be used by men, women or children with the best results.

We have the exclusive selling rights for this great laxative.
