

# Splendid Laxative for Elderly People

Has Been Prescribed by Well Known Physician for Many Years.

The infirmities of age are especially manifest in a tendency to constipation, and call for treatment that will afford relief in an easy, natural manner. The rapid action of cathartic remedies and purgatives that shock the system should be avoided, more especially as the relief they offer is only temporary and is usually more than offset by disturbance to the vital organs caused by their violent action.

Nearly thirty years ago Dr. W. B. Caldwell, Monticello, Ill., prescribed a compound of simple laxative herbs that has since become the standard household remedy in thousands of homes. It acts easily and gently, yet with positive effect, without griping or other pain or discomfort. Mrs. Rachel Allen, Galsburg, Kans., is seventy-one years old, and after using a bottle of Dr. Caldwell's Syrup Pepsin, wrote that it had done her a world of good and that she intends to keep it in the house always.

Druggists sell Dr. Caldwell's Syrup Pepsin for fifty cents a bottle. It is a splendid remedy and should be in every home. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 203 Washington St., Monticello, Ill.

I used different preparations, but nothing helped it. One bottle of Hancock's Sulphur Compound cured me completely." By E. O. SELLERS, Acting Director of Sunday School Course of the Moody Bible Institute, Chicago. (Copyright, 1916, Western Newspaper Union.)

## LESSON FOR APRIL 16

PETER AND CORNELIUS.

LESSON TEXT—Acts 10:1-23. GOLDEN TEXT—There is no distinction between Jew and Greek; for the same Lord is Lord of all, and is rich unto all that call upon him.—Rom. 10:12.

Thus far Christianity had to do with Jews and Jewish proselytes only. Now its circle begins to widen so as to include the Gentiles. The central figure of this lesson, Cornelius, was a captain commanding one hundred men in the Roman army. The chasm between blacks and whites, which so widely exists in America, is nothing compared to that which divided the Jew and Gentile. We take the whole story of Cornelius in today's lesson and consider the Easter story next week.

I. A Prepared Convert (vs. 1-8). (1) His position. Caesarea was on the great sea and was the political capital of Judea. It was about seventy miles from Jerusalem and thirty from Joppa. Cornelius, who was captain of a band of men born in Italy, was a Roman citizen, and perhaps had been connected with the great Roman general Scipio. (2) His character. He was a man of promptness, appreciation and obedience, (v. 33). He was also a God-fearing man, whose piety included his whole household. He was a man of prayer and generosity (vs. 31, 32), for he gave "much alms" to both Jews and Gentiles. The result was that he was honored greatly by all, especially by the Jews. It does not seem that Cornelius was a proselyte to the Jewish faith (vs. 28-31:3), and he certainly was not as yet a saved man (11:13, 14). Cornelius was a man of a vision, not of dreams or of trances, for this vision came in the open daylight (v. 30), when an angel, looking like a man, appeared unto him. His fear was calmed and he was informed that his prayer, for he was a "seeker after God," had been heard. The "memorial" (v. 4) spoken of was that part of the meal offering which the priest burned upon the altar and which ascended unto the Lord as a sweet savor (See also Mal. 3:16). Cornelius is put to a strange test. He is to send for an unknown man to receive instruction. The angel was not to enlighten him, as it is man's province to witness for God. There is not a recorded Bible conversion without some human instrumentality. Cornelius, soldier that he was, at once obeyed instructions and sent out two devout retainers after Peter. Man alone could finish the work of the angels.

II. The Prepared Preacher (vs. 9-23). Tanning was considered an unclean occupation, but in Simon's house was the man God wanted to use on this occasion. No matter how poor a preacher, or unlikely the situation, if we obey God we can preach better than Gabriel. God laid, as it were, his right hand on Cornelius, and his left upon Peter, and drew them together. Again God uses a dream, linking the natural and the supernatural. A hungry man dreams of food, a very common occurrence, and God gave supernatural direction to a natural dream. God knows the right time to do the right thing. We do not need dreams for our guidance as we have a full and sufficient revelation in the Word for our guidance.

III. The Prepared Ones Meet (vs. 23-33). Cornelius had his whole household ready when Peter arrived (v. 24), perhaps more people than on the day of the first great Pentecost. He said, "We are all here present in the sight of God to hear all the things that have been commanded thee of the Lord." This is a great statement if we consider its full content. Peter refused to accept worship, that alone belongs to Christ (v. 25) and he explained how God had thrust him outside of the circle of Jewish believers. He then rehearsed what God had done and asserted that "He is no respecter of persons," and that in response to those in every nation who work righteousness God had sent forth Jesus for the salvation of men, (1) That men might have peace through him (v. 36); (2) That he might be Lord over all; (3) That he had been anointed with the Holy Spirit and power; (4) That he had been crucified (1 Pet. 1: 18, 19; 2:24); (5) That God had raised him from the dead; (6) That he is to be the judge, and (7) That because of what he had done—"through the name of Jesus"—all that believe shall have "remission of sins." (This is a good sermon outline.) Following this wonderful sermon, there occurred the Gentile Pentecost (vs. 44-46).

Practical. Cornelius had a lack and he went to God to have it supplied (v. 4). Peter found his enlightenment in prayer.

God revealed his regard for all man kind, and that Jesus Christ can and will save all who come to him by faith.

At Caesarea the infant church discovered that its field is the world and that the Pentecostal program was for all mankind.

This occasion taught Peter and the church that henceforth we are to regard all men as brothers and seek to win them for their Savior and ours.

# CALOMEL WHEN BILIOUS? NO! STOP! ACTS LIKE DYNAMITE ON LIVER

I Guarantee "Dodson's Liver Tone" Will Give You the Best Liver and Bowel Cleansing You Ever Had—Doesn't Make You Sick!

Stop using calomel! It makes you sick. Don't lose a day's work. If you feel lazy, sluggish, bilious or constipated, listen to me!

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with our bile, crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you feel "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just try a spoonful of harmless Dodson's Liver Tone.

Here's my guarantee—Go to any drug store or dealer and get a 50-cent bottle of Dodson's Liver Tone. Take a

spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it cannot salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

If the phoenix of common sense rises from the ashes of a fool's money the conflagration has not been in vain.

## IF HAIR IS TURNING GRAY, USE SAGE TEA

Here's Grandmother's Recipe to Darken and Beautify Faded Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients for 50 cents a large bottle, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Adv.

## Fulton Mothers Now Treat Children's Colds Externally

They Find Vap-O-Rub Better Than Internal Medicines for Croup and Cold Troubles.

Mrs. J. S. Pugh, 510 Market St., and Mrs. Mary Bolton, 105 Ravine St., both of Fulton, Mo., have found, in common with many other Missouri mothers, that it is no longer necessary to dose children with internal medicines for cold troubles. In the South Viek's Vap-O-Rub is the standard remedy for these troubles, but it was only last winter that it was introduced here. Vap-O-Rub was discovered by a North Carolina druggist. He found how to combine Menthol and Camphor with the volatile oils of Thyme, Eucalyptus, Cubeb and Juniper, in salve form, so that when applied to the body, the ingredients are vaporized by the body heat.

These vapors are inhaled with each breath, through the air passages, to the lungs, carrying the medication direct to the affected parts, and, in addition, Viek's is absorbed through the skin, taking out the tightness and

soreness. This double action makes Vap-O-Rub really a remarkable remedy for many forms of inflammations. Either inflammations of the air passages, such as head colds, catarrh, bronchitis, sore throat, or deep chest colds, or inflammations of the skin tissues, such as burns, bruises, stings, piles, itching and muscular soreness, it is particularly recommended for small children, as it can be used freely, with perfect safety, on the youngest member of the family.

But let these Missouri mothers speak for themselves. Mrs. Bolton writes—"I have used Vap-O-Rub on baby for bad colds. Results were excellent. I find it better than any internal medicine I ever used."

Mrs. Pugh's experience is—"I tried your Vap-O-Rub on three of my children for bronchitis. They would cough so hard at night I could not sleep, so would get up and rub their throats and chests with Vap-O-Rub and they seldom coughed any more that night, and after I had kept it up for several nights they stopped coughing. I believe it is better than taking so much medicine internally." Three sizes: 25c, 50c or \$1.00. At all druggists.
