

NEXT TUESDAY, APRIL 25th, WILL BE CLEAN-UP DAY IN PICKENS

Tuesday, April 25, has been set apart as "Clean-up Day" in Pickens, and the citizens generally are urged to join in the work of the U. D. C. to this end. The town authorities have given their sanction to the movement and will co-operate in every way. The good work has already been begun in the mill village. Let the town people follow their example and make Pickens that which by nature she really is—the most beautiful town in South Carolina.

### Dr. Doyle Will Not Run

Seneca Farm and Factory.

Since it has become known that Dr. E. C. Doyle will not be in the race for congress from this district, there has been some discussion as to which of the several candidates will be in the second race with Congressman Wyatt Aiken. Messrs. John A Horton of Belton, Fred Dominick of Newberry and Henry Tillman of Greenwood will oppose Mr. Aiken, it is certain, and Mr. A. H. Dagnall of Anderson has the matter of making the race under advisement. In the past several weeks there has been a growing sentiment in Oconee county in favor of Mr. Horton, and many people now predict that he will be in the second race with a good lead. Mr. Horton has visited Seneca several times lately and made a favorable impression with the people here.
