Cross Plains Club Meeting

The Cross Plains Democratic club met Saturday afternoon and organized by electing the following officers:

J. K. Latham, president; M. F. Williams, vice-president; H. P. Healey, secretary-treasurer; M. W. Hester, J. K. Latham, A. W. Taunery and H. P. Healey were elected delegates to the county convention on May 1.

After a full discussion of the biennial census, as some of the newspapers term it, the following resolution was passed, viz: That the delegates to the county convention be instructed to oppose any attempt to abolish the county-to-county campaign, which is the only practical way that the average voter may learn anything of the candidates offering for office; that printed notices and paid for advertisements are frequently a fraud and not worth the time it takes to read them; that the average citizen does not have more than one day that he can spare to go to a campaign meeting and he can get a better idea from a snapshot at the whole bunch than so many one-sided speeches.

The delegates were instructed to vote for any amendments to the present campaign meetings that they thought wise. H. P. HEALEY, Sec.
