LOCAL AND PERSONAL

Several Pickens people attended the
fair in Atlanta last week.

J. W. Durham, a good farmer on Cen-
tral route 4, was at the county seat on
business Friday.

Many people from Pickens county are
attending the state fair and harvest
jubilee in Columbia this week.

We forgot to state last week that a
few people remained in Pickens on the
13th, which was show day in Greenville.

On account of the absence of the pas-
tor there will be no prayer meeting at
the Methodist church Thursday evening.

Louie Thornley, son of Mr. and Mrs.
John L. Thornley, has accepted a posi-
tion with the Stubbs Shoe company of
Greenville.

Our Ambler correspondent says: A.
C. Smith has bought the Will Hendricks
place and has begun the erection of a
nice dwelling.

Dr. and Mrs. W. A. Woodruff and
little son, W. A., Jr., of Catechee,
spent one day recently with friends
and relatives in Pickens.

Irvin Miller has a June apple tree in
his yard that is bearing a second crop.
The apples are growing in clusters and
are not as large as the first crop.

Mrs. M. D. Cantrell of Pickens at-
tended the burial of her uncle, Andy
Martin, in Anderson county last week.
She also visited her son, John Cantrell,
of near Williamston.

The Ladies' Cottage prayer meeting
will meet with Mrs. W. T. Griffin Friday
afternoon at 3.30 o'clock. All ladies
are invited to attend these meetings,
especially mothers.

The fourth and last quarterly confer-
ence of this year for the Pickens Metho-
dist church will be held on the night of
November 3. Dr. M. L. Carlisle of
Greenville will be present.

We are publishing this week the
notice of elections for both the Federal
election and for the State and County
elections. The names of the managers
will also be found in these notices.

The Saluda Hill Baptist church of the
Twelve Mile River association was re-
ceived as a member of the Pickens Bap-
tist association at their meeting at
their meeting at Pleasant Grove recently

Mr. Andy Martin, an old veteran of
Anderson county, died October 10. He
was a brother of William Martin of this
county. Deceased had many relatives
and friends in Pickens county who will
regret to learn of his death.

Misses Kathleen Cornwell of Chester,
Sadie Ellis of Greenville, Janie Bennett
of Holly Hill, SaDe Long of Edgefield,
Christine Terrell of Atlanta, Ga.,
and Dr. B. M. Epes of Johnston at-
tended the Hiott-Long wedding here
Tuesday.

John A. Robinson, a prominent citi-
zen of Easley, was here on business
Monday. Mr. Robinson is connected
with the Easley Oil Mill and Ginnery,
and says that up to Saturday night they
had ginned something over 1100 bales
this season.

The fifth of the series of illustrated
lectures will be given at the Methodist
church next Sunday night, beginning at
7.30, to which the public is cordially in-
vited. The subject of the lecture will
be "The Pearl of the Antilles, or A Trav-
elogue in Cuba."

When you buy a range that has pro-
ved itself to be the best your money has
been well invested. The Majestic Dem-

mencing October 23, show you why the

help to prolong life is good
teeth.

stomach mean that you will
not come very near to living
forever. We are selling the

Phone 24 For
Your Drug Wants

Pickens merchants always handle in
every line the best the market affords
and the shopper these days will have no
trouble in being able to satisfy his
wants in Pickens this year.

Experience in thousands of homes has
proved that the Majestic is the one
range that gives real satisfaction and
cuts down the cost of living. An expert
from the Majestic factory will be at our
store during the week commencing Oc-
tober 23, and will show you why the Ma-
jestic is the only range for you. Pick-

While "the frost is on the pumpkin
and the fodder's in the shock," roast-
ing ears are still on tap in Pickens. We
are indebted to A. T. Winchester of
Sunset for a nice lot of roasting ears
brought us Saturday. Corn on the cob
is a rare dish for this season of year
and it was highly enjoyed.

Rev. L. E. Wiggins is delivering sev-
eral illustrated lectures this week on his
trip to the Holy Land. Wednesday
night he will be at Liberty, Thursday
night at Iva, in Anderson county, and
Friday night he will be in Pickens.
This is a highly interesting and instructive
lecture and should be heard by large
audiences.

W. W. Burnett died at the home of
his daughter in Gaffney last Wednes-
day, aged 80 years. He was buried
Thursday at Mountain Creek church in
Greenwood county. He is survived by
four sons and two daughters. Mr. Burn-
ett was one of the most widely known
mill workers in the state and had many
friends in Pickens county who will re-
gret to hear of his death.

Dr. and Mrs. J. N. Hallum and little
daughter, Mary, were in Atlanta last
week when the earthquake was felt in
that section. They were on the third
floor of the state capitol when the shock
came. Electric lights went out and the
elevator was put out of commission, and
Dr. Hallum says things looked a little
"squally" for a while. Two shocks
were felt in Atlanta and some damage
was done.

Sheriff John W. Davis last Sunday
night arrested Folger Powell at Six
Mile, in Pickens county, and brought
him to Walhalla, lodging him in the
Oconee Jail. Powell was convicted of
violation of the dispensary law in this
county in 1905, but was absent when
tried. A sealed sentence was left for
him, requiring him to serve on the pub-
lic works for a period of eight months
or pay a fine of \$100.—Keowee Courier.
