The Place to Get Most Goods for Least Money

I am still selling the most goods for the least money and paying the highest price for country produce of all kinds.

My spring and summer goods are here and the stock is the best and most complete I have ever shown.

I have also added a nice line of ladies' hats to my stock and invite the ladies to call and inspect them. Can save you money.

Just received another car load of furniture, and prices are always right.

Bring me your country produce. I am paying 21c a pound in trade for hams, 12c a pound for hens, 25c a pound for butter, and the highest market price for all other produce.

It will pay you to see

FORD
THE UNIVERSAL CAR

320,817

Have been built and actually delivered to retail buyers since August 1, 1916. These figures—320,817—represent the actual number of cars manufactured by us since August 1st, 1916, and delivered by our agents to retail buyers.

This unusual fall and winter demand for Ford cars makes it necessary for us to confine the distribution of cars only to those agents who have orders for immediate delivery to retail customers, rather than to permit any agent to stock cars in anticipation of later spring sales.

We are issuing this notice to intending buyers that they may protect themselves against delay or disappointment in securing Ford cars. If, therefore, you are planning to purchase a Ford car, we advise you to place your order and take delivery now.

Immediate orders will have prompt attention.

Delay in buying at this time may cause you to wait several months.

Enter your order today for immediate delivery with our authorized Ford agent listed below and don't be disappointed later on.
