

ONLY ONE DAY IN WHICH TO REGISTER

All Men Between the Ages of 21 and 30 Years, Inclusive, Must Register Between 7 A. M. and 9 P. M., June 5

All men, both white and black, between the ages of 21 and 30, inclusive, must register at their voting precincts on Tuesday, June 5, between the hours of 7 a. m. and 9 p. m., under provision of the selective draft service act of congress and in accordance with a proclamation of President Wilson. There will be only one day for registration, and any eligible person trying to escape registration or giving false information will be handled by federal authority.

Below is a list of questions which will be asked each person when he presents himself for registration:

- Name in full?
- Home address?
- Date of birth?
- Are you a natural born citizen of U. S.?
- Where were you born?
- If not a citizen, of what country are you a subject?
- What is your present trade, occupation or office?
- By whom employed?
- Where employed?
- Have you a father, mother, wife, child under 12, or a brother or sister under 12, solely dependent on you for support?
- Married or single?
- Race?
- What military service have you had?
- Do you claim exemption from draft?

After the above questions are answered the person registers, and must sign his name or make his mark, affirming that his answers are truthful.

Every person in Pickens county will be interested in this registration and conscription business, and practically every home will be affected by it.

Registrars Called to Meet at C. H. May 26

A meeting of the registrars appointed under and by authority of an act of congress, known as the selective draft or conscription act, and under proclamations of the president of the United States and the governor of South Carolina, is hereby called, to be held at Pickens court house on Saturday, May 26, at 10 o'clock a. m., for the purpose of being sworn in, receiving information, registration cards and other necessary supplies.

Every registrar appointed will be summoned by mail and required to be present. This is a patriotic service and should be performed cheerfully.

E. P. McCRAVEY,
Chairman Committee.

How You May Become a Member of the Conscript Army

Here is the way the War Department will exercise the draft; how a man now a civilian may become a soldier within the next few months:

1. On June 5 he registers in the voting precinct in which he resides. He goes on about his business.
2. After a delay of several weeks, perhaps a month or more, he is notified by the War Department either that he has been exempted from service or that he has been selected. If the latter, he is told when and where to report.
3. He reports at the time and place designated, is given his equipment and transported to a concentration camp.

In case he believes he should have been exempted and was not, he is entitled to carry his case to the local federal court for settlement.

Extra Registrars Have Been Named

On account of the fact that there will be only one day, June 5, in which to register, the committee in this county thought it necessary to have two registrars at each voting precinct, and the following registrars have been appointed. Each one should be present at the meeting at the court house next Saturday:

List of Jurors For June Term of Court

Court of General Sessions will convene at Pickens the first Monday in June, which will be the fourth day of the month, with Judge Tom Joe Mauldin presiding. So far there are no unusual cases scheduled for this term, and it appears that the docket will be a medium one. Following is a list of petit jurors drawn to serve during this term:

A H Newton, Sam H Bowen, J Frank Stephens, Claud E Ellenburg, T O Allgood, F B Field, J H G McDaniel, R L Hames, W T Anderson, R H Satterfield, H C Young, W W T Nalley, Joe L Looper, W Y Mulkey, John B Jameson, J H Riggins, Grover N Keith, J H Dillard, J J Ponder, Elijah Winchester, W M Baker, Jeff D Chappell, F W Whitmire, O M Page, O D Epps, W L Crane, O L Craig, F R Moon, S J Watson, H P Haley, J F Childs, Geo W Gaillard, J T Gassaway, W H Gardo, Isaac Sheriff, R B Hunnicutt.

The trial of Vernon Corbin, which was scheduled to come up in Greenville Monday, was postponed on account of the defendant "breaking out" with measles the morning his trial was to have been held. It will be remembered that Corbin killed John Abner Masters in Greenville county, just across the Pickens line, in April.

The Country Church Is the Nation's Bulwark. Go to Church.

A LARGE percentage of the big men of this big country come from small country towns. Most of the REAL BIG MEN never forget their boyhood days when they went to the SMALL COUNTRY CHURCH. The simple lessons that were taught there have GUIDED THEM THROUGH LIFE. Their lives have been clean. Clean living made for their success.

When the GO TO CHURCH campaign was launched these men took a commendable interest in it. By attending church they set a SELENDID EXAMPLE to the careless and indifferent. When a real big man GOES TO CHURCH the act is MORE POWERFUL THAN A DOZEN SERMONS. Clear thinking people are quick to see that there is something REALLY WORTH WHILE AND SUBLIME in the church.

THE COUNTRY CHURCH LAID THE FOUNDATION FOR THE LATER SUCCESS IN LIFE. READ THE LIVES OF THE GREAT MEN OF THE COUNTRY. THEY TAKE PRIDE IN RECALLING THEIR EARLY RELIGIOUS TRAINING—THE FINE IDEAS THAT WERE INCULCATED WHEN THEY WERE YOUNG. SURELY THEY PUT TO SHAME SOME OF THE SCOFFERS AT RELIGION AMONG THE FLIPPANT YOUTHS OF THIS MATERIAL AGE. YOU CAN COUNT ON YOUR FINGERS THE NUMBER OF SUCCESSFUL MEN WHO DO NOT GO TO CHURCH.

The plea of some who have fallen away from the church is that they are TOO BUSY to attend church. Yet men whose time is WORTH \$100 OR MORE AN HOUR do not begrudge an hour or more for God on the Sabbath.

No man is too busy to attend church. If he is successful he should GO TO CHURCH to thank God for his success. If he is struggling he should ask God's help.

GO TO CHURCH NEXT SUNDAY.

The Pickens county \$250,000 road bond issue has been sold to the Palmetto Bank of Columbia for par and a premium of \$4,100, the bonds to bear five per cent interest. The highway commission will get the money in installments of \$50,000 every three months, except the first installment, which will be \$54,100 and which will be paid in two or three weeks, or as soon as the bonds are printed and delivered.

It has not yet been decided just how many mills extra levy will be added to taxes for the purpose of retiring these bonds.

P. F. Patton has been elected county engineer in charge of the road work. He has been engineer for Greenville county and supervised the building of \$900,000 worth of roads in that county during the past two years. The commission expects to begin active work in building the roads about June 15.

Top soil roads will be built if it is possible to get enough top soil at a reasonable expense. This is the class of road which has given such good satisfaction in Greenville county. It has not been definitely decided just where the first work will be done, but probably on the Pickens-Easley road.

The \$250,000 will not make a good, permanent road out of every road now in the county, and the commission states that roads will be built in those communities where the people show a spirit of co-operation by giving free right-of-ways and top soil. Where top soil is taken it will make the land practically useless for planting for one year, but the county will plow the land fifteen or eighteen inches deep, and it is said that in one year the land will be just as good and in many instances better than before top soil was removed. So it rests greatly with the people as to where most of the roads will be built.

The commission has not yet decided whether the roads will be built by contract or by hired labor. Both plans will be tried out and the cheapest and most efficient plan used.

The Pickens County Highway Commission consists of C. L. Cureton, chairman; R. F. Lenhardt and J. F. Banister, and C. E. Robinson, clerk, and they want the co-operation of all the people in this work.

Mrs. Arthur Ramseur of Central, who has been visiting her son, Vardry Ramseur, left Tuesday for Washington, where she will visit her son, Walter Ramseur, secretary to Congressman Dominick. Greenville News.
