# The Irishman's Story

Most everybody is familiar with the Irishman's story. A merchant told him that a curry comb was half feed, and the Irishman said "By faith, I'll just take two and save the whole feed bill."

Never before can we remember when it was more necessary to economize on feed than now. Keep your stock in good health by feeding Blackman's Medicated Salt Brick. We have on hand a large, fresh lot. No trouble to feed, just put brick in trough and the trick is done.

We also carry International Stock Food in packages or loose in pails. We have many customers who will have nothing else for hogs.

Conkey's Poultry Tonic is a good, honest poultry food, 25c per package.  
We have on hand a lot of Flour Pots in different sizes, also some home-made churns. Churns have been real scarce the last few months. Call and inspect our line.

Bring me your country produce. I am paying 21c a pound in trade for hams, 12c a pound for hens, 25c a pound for butter, and the highest market price for all other produce.
