Red Cross Lawn Fete Success

A large crowd attended the lawn fete which was held Thursday evening on the court house square for the benefit of the Red Cross. Home-made candy, cold drinks and ice cream were sold in at- held its meeting in the Red Cross Room tractive booths, which were decorated over the Keowee Bank. This chapter with red, white and blue colors and the is composed of Pickens women-each flags of the allies. A gypsy told fortunes in her tent during the evening, and a "grab-bag" caused much amusement. The real event of the evening, however, was a cakewalk, in which Misses Nannie Porter and Floride Carey Craig were the winners. They presented the cake to the Pickens Mill Band, which had so kindly furnished music for the occasion. About \$33 was realized during the evening.

The committee in charge deserves much credit for the splendid entertainment and the success with which it was carried out

An Interesting **Red Cross Letter**

On Monday evening, July 2, the Pickens chapter of the American Red Cross one wide awake to the realities of the world war and to the sufierings of humanity, who so need our help and yours. Sixty-one members are enrolled and every day we are striving for more. Each committee is awake to its duty. Every and Messrs. Bub Richey and Houston one has responded so liberally to the work. Of course there are some who have not helped yet, but that is because they do not yet realize the situation in its awful seriousness. General Wood says that America is too slow about waking up and that some of us will not realize what it all means until we get from France the report of our boys who have fallen in the battle. But as a whole Pickens has done well. The Death of Mrs. Kannie Murphree Pickens Mill gave the chapter 300 yards of cloth and the Alice Mill in Easley contributed 100 yards.

Recently several members of the unit went to Six Mile in the interest of Red Cross work and in a very short time the people of Six Mile raised \$112,50. The Red Cross interest is still growing in that progressive section.

The room over the Keowee Bank, which was a very thoughtful contribution of Mr. J. P. Carey, has been made very home-like and attractive with Red Cross pictures, American flags, and other patriotic emblenes. On the different tables are kept sheets, pillows, convalescent robes, and other things to be made for the soldiers. This unit has taken sixteen equipments to be completed by the 1st of August, when they will be sent to Greenville and from there pillow cases, 3 pajamas, 4 hospital bed shirts, I convalescent gown, I pair socks, 2 pair bed socks, 2 bath towels, 4 face towels, 3 wash cloths. 1 pair slippers, I hot water bag cover, I ice bag cover.
