Visit to State Fair; Suggests County Fair

To the Readers of The Sentinel: It was my delightful privilege to attend the "State Fair" October 26th, 1917. I was pleased to meet Mr. T. A. Bowen and Miss Elizabeth Mauldin and Miss Gladys Smith our own county people. They were busy showing the people what had been done in Pickens county and in other parts of the State by the improved methods of farming and gardening and canning farm and garden products. I had the pleasure of meeting Mrs. Edith Barrett the Home Demonstration Agent. It will be remembered that Miss Gladys Smith is her assistant. They were all very busy looking after the interests of the work. I saw apples gathered from the same orchard and the same variety, where some trees were sprayed and others were not, and there was about as much difference as there is between day and night. But what I wanted especially to say to the people of Pickens county was that the Fair in Columbia is alright, and will reach a few people, but will never reach the masses of our people. The very people who ought to be helped will never be reached by the "State Fair." In the first place the railroad fare etc., is too expensive and then Columbia people make it almost impossible for our people to go there and stay. They make a regular grab game out of it. Just think of charging \$2.00 for a little old hard bed to sleep on for one night. That is what I had to pay. This is the suggestion that I want to make. Let us begin now and organize to have a Pickens County "Fair" next October. We have wide-awake people; we have people with money and brains. We have the products of the ground; we have among the very best "Demonstrators" in the State. Let us put our county where she belongs, right at the front. If we could have our Fair just before the State Fair, our Demonstrators could take the very best of everything and put it on exhibition at the "State Fair." By having a county fair we can reach all our people, and there is no doubt as to the beneficial results. What say you, fellow citizens?

D. W. HIOTT.

Attention, Confederate Veterans.

The veterans who obtained blanks for application for "Roll of Honor" on June 3, please return same, properly filled out, at once, to Mrs. T. J. Mauldin, President Pickens Chapter U. D. C.

Pickens Co. School News and Notes

School trustees who have reports for application for state aid should file these reports with County Superintendent Clayton at once, as they must be sent to the State Superintendent by November 15, in order to receive recognition.

Prof. Lueco Gunter was with Supt. Clayton last week and they visited the following schools: Six Mile, Praters, Remion, Norris, Tabor, Calhoun, Dausville, Garvin, Mauldin, Crosswell and Dayton. Prof. Gunter is state supervisor of rural schools of this state and is expected to make another visit to this county at an early date.

Palestine district recently voted \$1,000 bonds for a new school building. Bethlehem district recently voted down a similar proposition.

Cane Creek district, in the northern part of the county, recently petitioned for compulsory education. Every taxpayer in the district signed the petition which will give them compulsory education without an election. The new law will be in full force and effect with the opening of next term of Cane Creek school. This makes the second district in Pickens county to petition for compulsory education. Montvale being the first. Cane Creek also voted an extra levy of six mills for their school, which will give them eight mills school tax and guarantee a seven months term with state aid.

School teachers of the county met at the Easley school house Saturday. About forty were present and a permanent organization was effected with thirty-four members and the following officers: President, G. W. Coggin; vice president, Miss Queen Johnson; secretary and treasurer, F. V. Clayton. Among the most enjoyable things of an interesting program were an address by Prof. Lueco Gunter and lunch which was served by the domestic science department of the Easley school. B. C. Givens, J. M. Langston, J. W. Wallace, R. H. Jones, R. T. Hallum, Hal Hiott and Misses Mary McCall and Lenhardt Williams were appointed a committee to work in co-operation with other officers of the association and arrange a field day for the school children of the county next spring. This field day will be entirely different from any held heretofore and will be participated in by pupils of every school in the county.

Land Sold Monday.

A good size and interested crowd attended the clerk's sales in Pickens Monday and the land brought good prices. The following land was sold:

Of the Haynes land, tracts 1 and 4, consisting of 73 acres, were sold to J. L. Moon for \$4,750. Tract 2, consisting of 5 81-100 acres, was sold to W. F. Haynes for \$525. Tract 3, 31 1-5 acres, to P. T. Nelson for \$1,800. Tract 5, 78 acres, to J. P. Carey, attorney, for \$3,200.

In case of Mauldin vs. Youngblood, one acre was bought by Louis Copel for \$75.

Stroud vs. Stroud, et al, 100 1-8 acres, to H. T. Stroud for \$2,000.

Chappell vs. Powell, 33 70-100 acres to M. D. Chappell for \$550.

Jasper Oates vs. Sallie Oates Stone, et al, 36 1-5 acres to Jasper Oates for \$1,000.

Clinton Burgess Seriously Hurt.

While driving one of the county road scrapes near Mount Carmel church, on Tuesday, October 30th, Clinton Burgess was seriously hurt when the scrape skidded and turned over, catching him underneath it. Mr. Burgess with Messrs. Butler Ferguson, E. F. Keith and some others were engaged in work on the Latham hill when the accident occurred. These men with J. K. Latham rendered all assistance possible while Dr. Ponder was immediately called. The doctor pronounced the injuries of a very serious nature and Mr. Burgess was carried to his home on Oolenoy river. When the scrape turned over the first and second rein mules were thrown completely over the scrape and it is remarkable fact that neither were even scratched.

Kirksey-Crowder.

Married, Sunday morning, November 4th, at the residence of the officiating officer, Miss Lizzie Kirksey and Mr. James C. Crowder, both of the Flat Rock section, J. Alonzo Brown, N. P., at the throttle. The bride is a daughter of the late Mr. and Mrs. Silas Kirksey of Pickens and a niece of Dr. R. Kirksey of the Mile Creek section and a sister of Mrs. Tom Taylor of Liberty. We with many other friends extend our congratulations.

Death And Other Ambler News Items

The Ambler Sunday school was called off November 4 on account of the sad death of Mrs. Ella Brown Hendricks, wife of Bunk Hendricks and youngest daughter of Mr. and Mrs. Bud Brown. The large crowd that attended the funeral at Griffin church Sunday showed the high esteem in which she was held. She was about nineteen years old and leaves a husband, a week-old daughter, father, mother, one sister and six brothers.

Tom Sutherland of Calhoun, Ga., spent several days recently at the home of his sister-in-law, Mrs. A. A. Jones, and other relatives.

W. E. Hendricks and Mr. and Mrs. A. C. Smith spent last Thursday at the home of J. A. Brown near Pelzer.

Messrs. Frank Alexander, Sam Craig, Oscar and Ray Keith were visiting relatives in this section last week.

I could fill your paper with neighborhood visiting, but that is not interesting. X. Y. Z.
