# TREMENDOUS SUCCESS FOR NEW DISCOVERY

More Than Three Thousand Bottles of Vitona Sold By Columbia Dealers in Ten Days Time

## THE KEOWEE PHARMACY AND PICKENS DRUG CO.

Wins The Agency for Pickens. Although Introduced in South Carolina Less Than Three Weeks Ago, is Biggest Seller in the State.

The Vitona agency for the city of Pickens has been awarded Keowee Pharmacy and Pickens Drug Co., and the people of this city can now enjoy the benefits of this great discovery.

Vitona was placed on sale in Columbia about three weeks ago, and many remarkable statements are now being made by people of that city who have been restored to health by its use after other medicine and treatment failed.

The fact that over three thousand bottles of the preparation were sold by Columbia dealers alone in ten days time after its introduction there is ample evidence of the popularity Vitona is enjoying. It is now said to be the largest selling preparation handled by South Carolina druggists and dealers, and the demand for it is steadily increasing.

Vitona is not to be classed with the average proprietary medicines, which are in many cases nothing more nor less than medicated alcohol, which stimulates and does not give lasting relief. Vitona is more than a medicine. It is the liquid extraction of a rare mineral combination, prepared in nature's own laboratory in the bowels of the earth ages ago, but heretofore unknown to man. It contains iron, calcium, sodium, lithium, strontian, magnesium and other minerals, each of which is known to possess great therapeutic value. In the treatment of rheumatism, blood diseases, stomach and kidney disorders and as a reconstructive tonic, it simply has no equal.—Adv.
