

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly falling to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly increased by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, taken internally and acts thru the blood on the mucous surfaces of the system. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

From the Northeast Corner

Mr. Editor: If you will pardon us for being rather late we will give you a few dots from the northeast corner portion of our grand old county.

The Dacusville township singing convention met at Mt. Tabor church the first Sunday in this month, and let me tell you they did some singing, especially Messrs. Boggs and Chapman from Easley. Come again, gentlemen, we will always be glad to have you.

Several members of Bula Camp No. 910 attended the meeting of Olive Camp No. 586 on the first Saturday night and all with one accord reported a good time. Those 'choppers' down there will give you a good time.

L. B. Williams, who moved from this section some time ago to Easley, will soon move back in our midst. 'Tent' is a good fellow and we are glad he has decided to again locate in our midst.

Miss Ethel Turner of Dacusville route 1, was a week-end visitor at Mrs. L. S. Edens.

Miss Christine Edens visited her aunt, Mrs. H. M. Loper, on Dacusville route 1, last week.

Messrs. Thomas Burns and Barto Hendricks of this place made a business trip to Greenville last week.

All smiles at the home of Mr. and Mrs. Roy C. McWhite. The whys and wherefores are, it's a fine girl.

L. A. Crenshaw is spending his vacation with his mother, Mrs. Jane Crenshaw, of this place. Lewis has been located in far away Montana for some two years. He says he likes it alright, but of course it was some cool when he left there. He is a good citizen and his many friends here would be glad he would decide to remain with us.

If you should not hear from us again ere Christmas here's wishing you and your many readers a merry Christmas and a happy New Year.

"PROGRESSIVE."

New Discovery Has Placed The United States At The Lead

Is Already Accomplishing Wonders—Greenwood Man Gains Sixteen Pounds and Overcomes His Trouble.

The discovery of Vitona places America ahead of the world in another branch. In fact, it is one of the first real medical discoveries that can be said to be typically American, and it is at a par with other great American inventions, such as the telegraph, telephone, aeroplane and submarine.

Richard B. Henry, a well known young farmer, who lives on the R. F. D. No. 3 Greenwood, S. C., says:

"I suffered with rheumatism ever since I was a child. I also had stomach trouble and indigestion so bad I had to be very careful about what I ate. I had severe pains in my stomach after eating and vomiting spells would set in. Gas would form in my stomach and give me misery. I had awful rheumatic pains in my joints and in my feet and ankles, and got so bad off I had to take to the bed and stay there for weeks. I lost strength and fell off until I weighed only 124 pounds. My heart would beat fast and sometimes I feared I had heart disease. I tried all kinds of medicines, but nothing seemed to help me.

"Vitona got right after my troubles and now I feel like a different man. The rheumatic pains have disappeared. My heart is regular and the pains in my stomach are a thing of the past. I have a good appetite and eat just anything I want without any bad effects. I am not nervous like I was. I sleep sound and can do as much work on the farm as anybody. I now weigh 140 pounds, which is a gain of 16 pounds, and am full of life and vitality. I consider Vitona to be the greatest discovery of the age, and believe it will be of untold benefit to suffering humanity.

Vitona is on sale at Keowee Pharmacy and Pickens Drug Company.
