

"My Country 'Tis of Thee, Sweet Land of Liberty."

THE COUNTRY CHURCH

Should Serve Itself and Farmers by Promoting Progressive Farming.

Just as no stream can possibly rise higher than its source so no church can make progress faster than its people, says Dr. W. H. Mills, a well-known Presbyterian minister and professor of rural sociology at Clemson College.

A live prayer meeting shows that some members pray at home; a growing Sunday school shows that the people are interested in the welfare of the children and the study of the Bible.

The Country Church and Agriculture. The country church must be interested in good roads, for upon the roads the church attendance largely depends; in crops, for upon their yield the church income depends.

Suppose the crops are in need of rain, petitions are sent up for refreshing showers. But again, crops will not farm practice—the soil is not in proper condition to retain moisture.

Then ought not the church to be interested and take part in teaching those who can correct this bad farm management and show the way to more profitable yields?

REV. D. W. HIOTT MADE TO FEEL HAPPY.

Easley Progress.

The members of Keowee church, near Honea Path, in Abbeville county, of which Rev. D. Weston Hiott, is pastor, ever remindful of a minister's comfort, sent by express last Wednesday a coop of twenty-two of as fine hens and roosters as we have seen anywhere for his Thanksgiving and Christmas. They were enough to make anybody feel good at this particular time, as everything is almost out of reach of the people.

On top of this a friend from the Pisgah church of which he is also pastor, came along with more fine chickens and a box of fresh milk. To say these kind acts of those thoughtful people were appreciated would be putting it lightly, as he is a man that appreciates any and all kindnesses shown him in any way, and we do not know of a more true or worthy man of God than Mr. Hiott. He is always ready and willing at all times to render assistance in any way in sickness, death or otherwise when called upon. He never says "No!" We wish him many more years of usefulness in the ministry, and may his efforts be crowned with a rich harvest in the world to come.

Auto-Intoxication Responsible for 95 Per Cent of Illness

Is the Self Poisoning of the Human Body RESULTS ARE SERIOUS

New Discovery, Vitona, is Said to Overcome This Dreaded Malady

Scientists hold that ninety-five per cent of all human ills are due to auto-intoxication. In fact, everybody is subject to this trouble to a greater or less extent but few are said to realize they are affected until some severe ailment or disease develops as a result of it. Auto-intoxication can be best ascribed to our own neglect or carelessness. When the organs falter or fail in the discharge of their duties, the putrefactive germs set in and generate toxins—actual poisons—which fills one's own body. It is then that the more serious consequences begin.

Sleepiness after meals, flushing of the face, extreme lassitude, listlessness, dizziness, sick headache, acidity of the stomach, heartburn, offensive breath, anemia, loss of weight and muscular power, decrease of vitality, or lowering of resistance, to infectious diseases, disturbance of the eye, dyspepsia, indigestion, gastritis, many forms of catarrh, asthma, ear affections and allied ailments: results from auto-intoxication or self-poisoning.

In Europe this condition has been treated with some success. However, the method of treatment there is considered antiquated when compared with the latest discovery in this country. America has advanced to a commanding position in chemistry and a preparation has, at last, been discovered and perfected, that is said to be a combatant of the ailments arising from this insidious poisoning of the human system. More than that, Vitona, as it is called, has proven to be a stomachic tonic, appetizer and invigorant of astonishing merit. Unusual praise is being accorded the preparation by people who have taken it and been wonderfully benefited, and who declare it seems to actually restore and keep up the vigor of youth. Vitona is sold by Keowee Pharmacy and Pickens Drug Company.
