"A-I-M" IS A WOMAN'S FRIEND

So Says Florida Lady Long Suffering With Poor Health Who Quickly Recovers By Its Use

READ WHAT SHE SAYS

"Oh, I think Acid Iron Mineral is just wonderful for women troubled like I was with poor health," says Mrs. A. H. Gallagher, of Antioch, Florida.

"I was terribly poor in health. I had nervous indigestion so bad I could scarcely eat anything at all. Gas would form on my stomach so bad I would almost choke to death. Kidney trouble, aches and pains in my back, rheumatism and female complaints, all combined managed to make life miserable for me until a friend told me about this Acid Iron Mineral. It is everything they claim for it to be. I gladly recommend it to all my friends. It relieved me of indigestion and gastritis, and the female trouble has disappeared," says Mrs. Gallagher.

Acid Iron Mineral is strange to say not an acid medicine. It has no alcohol or dope to deaden pain or senses. It is just the simple highly concentrated compound made from ore dug out of a medicinal iron ore mine, leached, filtered, tested and bottled, very powerful for home use and in hospitals and by doctors.

It is so strong that just a teaspoonful or less in a glass of water makes a powerful dose. How quick it acts even in the most stubborn cases is easily proven. Get a bottle today at your drug store or send \$1 direct to the Ferrudine Chemical Corp., Roanoke, Va., for fresh twelve ounce bottle prepaid.
