

WAR STAMP DRIVE WILL INCLUDE ALL

EFFORT WILL BE MADE TO CALL UPON EVERYONE IN THE STATE IN BIG DRIVE.

LESSON IN ECONOMY

Half Million People in This State Must Purchase to Make Up Our Apportionment.

When it is understood that South Carolina's quota of war savings stamps is more than twice its quota in the last Liberty loan campaign, it can be readily appreciated, an official of the State war savings committee points out, how vastly important a measure the war savings campaign is.

The pledge to be signed in the June campaign is very simple. The signer pledges to economize, and promises to invest a specified amount in war savings stamps during the year, to be purchased at any stated time.

A war savings stamp is really a \$5 bond for which a person pays \$4.17 in June, and which will be redeemed for \$5 on January 1, 1923.

Many Men Report Later in Mouth. Two more drafts for South Carolinians, to the number of 5,500, will be made within the few weeks.

New Enterprise Authorized. The Bank of Pamlico was chartered by W. Banks Dove, secretary of state, with a capital stock of \$25,000.

Large Users Must File Statement. The large users of sugar in South Carolina are not fully appreciative of the actual conditions relative to the use of sugar.

Progress in Tick Eradication. Dr. W. K. Lewis, veterinary inspector of the United States department of agriculture and directing the work of cattle tick eradication in South Carolina, says great progress is being made in the 10 coastal counties yet under quarantine.

Over 400 Take Short Course. With practically all of the 450 representatives of the various counties in the State in attendance, the annual short course for the home demonstration clubs began at Winthrop College.

10,000 Men Added to State Draft.

Approximately 10,000 men, who had attained the age of 21 years in the last 12 months, registered in South Carolina. With the Georgetown and Spartanburg, No. 1 boards missing last night, returns tabulated by Capt. R. E. Carwile, in charge of selective service regulations in South Carolina, brought the total up to 9,637.

Table listing counties and their respective draft numbers. Columns include County Name, Drafted, and Total. Total for all counties is 4,835 4,780 22.

Gov. Manning Calls War Workers.

Governor Manning has issued the following:

"To the Men of South Carolina: The government of the United States has challenged the Young Men's Christian Association to put 3,000 war workers in France by July.

"I commend this service as being of the highest class, and men of all walks of life may well devote themselves to it with the assurance that by so doing they will be giving unselfishly and patriotically of themselves in a work which will aid in the winning of the war.

To supply the constant demand for foodstuffs and corn meal, corn mills in this State are operating on capacity schedule. The fact is stressed that the farmers of South Carolina do not understand marketing grain.

McAdoo and Gerard to Address Assn.

William G. McAdoo, secretary of the treasury, and James W. Gerard, former ambassador from the United States to Germany, will be invited to address the South Carolina Press Association at its regular annual meeting in Gaffney the second Tuesday in September.

Previously it had been determined to hold the meeting earlier, but hotel accommodations in Gaffney are seriously handicapped and the new building being erected will not be completed before September 1.

To Establish Motor Mail Routes.

The postoffice department is considering the establishment of several motor mail routes between the larger towns of South Carolina and those of adjoining states. With this possibility in view the Columbia postmaster has been instructed to secure at once as many applications as possible from persons having a knowledge of mechanics who are desirous of acting as drivers of government motor trucks and with the ability to care for same.

STATE HIGHWAY COMMISSION MEET

APPROVE SEVEN ADDITIONAL FEDERAL AID PROJECTS AS RECOMMENDED.

WORK IN MANY COUNTIES

Give Out Statement Showing Distribution of Collections From Automobile Fees From Jan. 1, 1918.

Columbia.—The State highway commission at its regular monthly meeting recently approved seven additional federal aid projects as recommended by F. H. Murray, acting State highway engineer. These projects include work in Horry, Bamberg, Newberry, Lancaster, Chester, Charleston and Union counties.

In this connection the commission adopted a resolution, copies of which will be forwarded to authorities in several counties interested in the construction of the bridge over the Santee River. The resolution calls attention to the fact that the commission has held until now certain funds from this so-called 20 per cent fund, which it had hoped to use in making possible the construction of the Santee River bridge.

At the office of the commission the resignation of Charles S. Manning, clerk and secretary of the commission since its organization, was announced. W. W. Goodman, assistant clerk and bookkeeper, will assume Mr. Manning's duties.

The commission gave out a statement showing the distribution of collections from automobile license fees from January 1, 1918, to April 1, 1918. During that period \$244,390.50 was the commission's income from those sources. Of that amount \$195,512.40 goes back to the counties of the State. The total amount of fees collected to date is \$266,158.61.

Charleston as Aerial Station.

Charleston.—An appropriation of \$16,000,000 for the establishment of 16 airplane and balloon stations on the Atlantic and Pacific coasts for protection against aerial and submarine attacks was asked of the fortifications committee of the house by Newton D. Baker, secretary of war.

The sites of the stations already have been selected, 13 on the Atlantic coast and three on the Pacific, but details are not yet available. The equipment is immediately available and the stations can be established within six weeks. The \$16,000,000 will be included in the \$70,000,000 fortifications bill to be presented to the house soon.

This means that big stations will probably be located at Norfolk, Charleston, Jacksonville and Tampa. These points being selected for strategic reasons and the stations will be in addition to those already established. It proposed to make the Southern coast proof against German entry.

treasurer's report shows that the association has had the greatest year financially in its history and that in spite of the increase in expenses along all lines the association closes the year with all bills paid and entirely out of debt. Thirty-four of the 45 counties are classed as "over the top" counties, having paid more than their quota set by the State executive committee and liberal subscriptions from individuals are reported. A budget of \$8,645 was adopted for the coming year.

Half Destroys Crops in Chester.

Columbia.—J. H. Gibson brought to Columbia branches from the trees in the section of Chester county swept by a disastrous hailstorm. Hail stones two inches in diameter fell in tremendous volume and literally beat the small branches to pieces. Mr. Gibson said some of the drifts were two and three feet deep and had not all melted away Friday afternoon. Some of the stones tore through the roof of buildings, shattered windows and practically destroyed the fruit and the corn and cotton crops of a wide area.

To Take Course in Surgical Dressing.

McCormick.—The ladies of McCormick Chapter of Red Cross have perfected the organization of a class of about 20 to take the course in surgical dressings with a view of increasing the work of the chapter in this important branch of Red Cross activities. The class will be conducted by Mrs. William C. Kellogg of Augusta, Ga., who is said to be an efficient instructor. Mrs. Kellogg will begin the work of instruction within the next two or three days.

STATE QUOTA EASILY ATTAINED

Subscriptions in Red Cross Drive in This State More Than Double Apportionment.

Columbia.—Complation by the office of Governor Manning of official returns of county chairmen of the recent Red Cross drive gives the State's total subscription as \$1,210,537.66. Some of the chairmen emphasize that money is still coming in. The allotment to South Carolina was \$550,000. Official returns give:

Table listing counties and their respective Red Cross drive subscription amounts. Total is \$1,210,537.66.

Build Silos and Grow More Food.

Columbia.—In co-operation between Clemson College and the U. S. department of agriculture, D. W. Watkins, agent in dairying, and V. W. Lewis, agent in animal industry, have issued the following appeal to the farmers:

"We are in this war to help our government in every way to victory. Among the greatest of these things to be done on this side of the Atlantic is the increased production of food-stuffs for human consumption.

"One of the soundest and safest ways of doing this is to increase the number of silos in the State and grow more sorghum, velvet beans and corn with which to fill them.

"Silos can no longer be spoken of as experiments in farming. There are now 233 silos in this State and 99 per cent of the owners are the strongest advocates for silos.

"By means of a silo farmers: 1. Feed cattle better for less money.

"2. Produce more milk, butter and beef and incidentally more hogs.

"3. Save the whole crop and convert it to the needs of the country.

"4. Become more progressive and prosperous.

"5. Reduce freight shipments of Western feeds, thereby releasing freight cars for war purposes.

Pledges Filed by Candidates.

Columbia.—Eight candidates for Congress have filed pledges and paid assessment fees. These are: Wade Hampton Cobb, H. L. Bomar, T. G. McLeod, James F. Byrnes, G. L. Toole, S. J. Nicholls, R. S. Whaley and Wyatt Aiken.

A. J. Bethea, R. A. Cooper and J. M. DesChamps have complied with the rules as to the race for governor.

B. R. Tillman has filed his pledge and paid his fee as a candidate for the United States senate.

Claude N. Sapp and S. M. Wolfe are in the race for attorney general and A. A. Richardson for railroad commissioner.

Drought Broken in York County.

York.—The drought that had prevailed here for some time has been broken by copious rains that fell in all parts of York county. In some sections of western York the rain was so heavy as to do some damage by washing, particularly on rolling land. Crops have been greatly benefitted and cotton and corn are looking well. The harvest of the grain crop has been halted by the wet weather. The yield of both oats and wheat will be rather light, oats having been injured by the dry weather and wheat by the rust.

Col. Thompson Ordered to Texas.

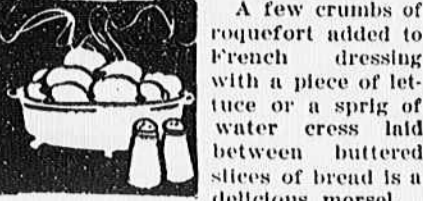

Columbia.—Col. Henry T. Thompson has been ordered by the war department to report for duty in Texas where he is to be in command of a battalion of the United States Guards National Army. Colonel Thompson has been in the military service of the State 49 years and has filled every grade successively from private to brigadier general. During the period he was four times in the military service of the United States. In the Spanish-American War he served in Cuba with rank of lieutenant colonel.

THE KITCHEN CABINET

It is a good thing to be rich, and a good thing to be strong, but it is a better thing to be beloved of many friends.—Euripides.

A SCORE OR MORE OF SANDWICH FILLINGS.

Sandwiches are just as popular with war breads as they were when wheat was plentiful.

Cottage cheese with chopped chives, or slices of rich New York cheese on buttered bread will make a hearty sandwich for the boy who goes fishing.

Mince hard cooked eggs and sardines (skin and bones removed), seasoned with lemon juice.

Tongue cut in thin slices with a thin sliced dill pickle on top, between buttered bread. Chopped tongue with a mixture of mustard, salt and pepper. Chopped dates and nuts with a little cream cheese.

Equal parts of cold cooked ham and chicken, minced fine and seasoned with curry.

Chopped mutton (cold roast or boiled), seasoned with chopped capers and French dressing.

Chopped figs and peanuts with lemon juice; prunes and cottage or cream cheese.

Salmon, pickles and olives. Baked beans mashed and seasoned with onion and celery with a dash of lemon juice.

Mince hard cooked eggs, butter, mustard and a dash of salt and cayenne.

Thin slices of cucumber, covered with scraped onion, dipped in French dressing.

Sardines with olives and French dressing. Water cross dipped in French dressing.

Cooked liver chopped and seasoned with onion and celery.

Thin slices of banana sprinkled with nuts and dipped in French dressing.

Chicken chopped with a few almonds and bits of celery. Almonds (salted) chopped and mixed with maple sugar and cream.

Equal parts of minced ham, celery and mayonnaise dressing.

Chopped onions with French dressing—fine sandwiches for Sunday night lunch, after church.

When the wild plum blossoms in the lane

'Tis time for dulcet laughter and refrain,

Time for airy fairy dreamings which need low

By the woodland pixy people as we go, Time to loiter and make glad among the flowers—

Oh, it is a heartsome place, this world of ours.

DISHES DAINTY AND APPETIZING.

Hot fried sardines served on a bed of water cross make a nice way of serving these small tidbits.

Celery and nuts chopped fine and mixed with a little salad dressing make a good sandwich filling.

Chopped apples, a few nuts and a chopped

green pepper make a most delicious salad combination; serve with mayonnaise.

Cheese and Tomatoes.—Cut round slices of bread, toast brown and on each round place a slice of tomato, sprinkle with a little minced onion and green pepper, a dash of cayenne and a thick layer of grated cheese. Put into the broiler and set under the gas flame until the cheese melts. Serve piping hot.

Peanut Butter With Rice.—Take two cupfuls of well cooked rice; while hot, stir in a cupful of peanut butter, a cupful of cracker crumbs, a half cupful of milk, two beaten eggs and salt and paprika to taste. Shape in a round loaf and place in a well buttered pan; bake a nice brown and serve hot with parsley.

Walnut Loaf.—Take a cupful of chopped walnut meats, four cupfuls of bread crumbs, one hard cooked egg chopped, one beaten egg, one chopped onion, salt and sage to taste with sufficient milk, stock or water to moisten. Bake until brown. Serve either hot or cold.

Cheese Fingers.—Beat the whites of two eggs until stiff, then fold in lightly a cupful of grated cheese. Season to taste with salt and cayenne, spread on long crackers and brown in the oven. Serve hot or cold with the salad course.

Baked Tomatoes With Peas.—Take small sized tomatoes; do not peel; remove some of the center and fill with seasoned peas. Put into a baking dish and bake while baking with butter and water or a rich soup stock. Keep covered the first part of the cooking.

Nellie Maxwell

"And how," asked the older robin to one of his youngsters, "and how are you progressing in learning to fly?"

"Fine."

"Can you do the full spin yet?"

"No."

"Well, leave a tip from father; don't try it. Leave all that rough kind of thing to humans in their machines."

Every Pile Trouble Responds to Eagle Treatment

Any man or woman who has suffered from piles knows that money is nothing if effective relief can be secured from the pains. A single dollar will be wisely spent if Eagle Pile Remedy is taken at once to cure this torturing pain.

Every form of pile and fistula is conquered, without resorting to a doctor's operation. The Reed Distributing Co., 141 Godwin Street, Paterson, N. J., will tell you how. And their treatment is as simple as eating candy, for it is a tablet form taken internally.

If you have tried all other remedies without result, send \$1 today for full warrant of a permanent cure.—Adv.

The free mail sent out by congressmen amounts to seven tons a day.

Grove's Tasteless Chilli Tonic destroys the malarial germs which are transmitted to the blood by the Malaria Mosquito. Price 60c.

Every brick that glitters is not gold.

GAINED 55 POUNDS

Doan's Kidney Pills Effected Wonderful Recovery After Other Medicines Had Failed.

"I don't believe I would be alive to give this testimony if it weren't for Doan's Kidney Pills," says Mrs. Julia A. Thomas, 1125 1/2 Missouri Ave., East St. Louis, Ill. "I was in a serious condition with kidney trouble; my feet and ankles were terribly swollen and the kidney secretions caused agony in passage. I had terrible rheumatic pains and often got so dizzy I dared not walk for fear of falling. I felt as if I would go frantic. I often had to grasp something to keep from falling. My nerves were all unstrung and the least noise startled me. Nothing benefited me and I was discouraged. A neighbor happened to recommend Doan's Kidney Pills and I began using them. The swelling and pains were soon eased up and it was but a short time before my kidneys were in good shape again. They have never bothered me since nor have I had any backache or other kidney trouble. I have gained 55 pounds since I was cured and can do all my own work without suffering."

"Sworn to before me."

FRANK W. CLOVER, Notary Public.
