Murphree. Before her marriage she was Miss Ann Day and was born and reared in the Cedar Rock section of Pickens county. She was 78 years old and had been an invalid nine years. L. Roper, Mrs. Carrie and Ida Roper and Arthur Alexander.

Twenty-one grandchildren and three great-grandchildren were also present.

About 12:30 a large table was spread with plenty of everything good to eat. We wish Mr. Pressley many more such happy birthdays.

One Present.

PASTOR INSTALLED.

On Sunday, July 28th, Rev. Angus N. Littlejohn was installed as pastor of the Presbyterian church at Westminster. The sermon was preached by Rev. John C. Bailey, of Liberty, and the charge to the congregation was delivered by R. N. Brackett, of Clemson College. This is a splendid field and Mr. Littlejohn begins his work there under favorable auspices. He will also supply Oakway and Tugalo.

ARRANGE NOW FOR COVER CROPS.

It is now time to be arranging to put on cover crops for the fall, and T. A. Bowen, County Agent, will be very glad to assist farmers in securing the seed. Will order seed and sell them to farmers at actual cost, and if any one wishes to put in any legumes such as vetch or any of the clovers the department will supply a limited amount of inoculation free of cost, which is absolutely necessary if you have never grown legumes before.

This year has been a very successful year for crimson clover and now is the time to be getting seed and have it put in about September 1st. The late sown clover will not do as well as early sown. Start now and have a nice clover patch for next year.

All the money you lend Uncle Sam when you buy W. S. S. is spent on things for our soldiers.

Red Spider In Mica Section

Messrs. J. I. Williams and J. T. Finlay of the Mica section were business visitors at the county seat Saturday. They say the red spider has done considerable damage to cotton in their section. Mr. Finlay seems to be the chief loser by this pest. County Agent Bowen was in that section recently and estimated Mr. Finlay would have made twenty bales of cotton but for the spider which has cut his crop to three bales. Others in this section have also suffered. Mr. Finlay says the pest which has destroyed his cotton is different from the red spider which has been in this county heretofore and that Clemson College nor any one else seems to be able to understand it, but they still call it red spider.

Liberty Boy Killed

Guy Powell, whose parents live near Liberty, was killed Monday at Brandon mill in Greenville when a heavy timber fell upon him from a height of several feet, crushing his skull. The young man was about eighteen years old and working as a carpenter's helper.

Revival at Ambler

DEAR EDITOR:—Please allow me a few words in the columns of your good paper to speak a few words in regard to our Sunday school and revival at Ambler school house.

Something like three years ago a live Sunday school was organized at this place. Recently we began a prayer meeting and as interest around this hallowed spot kept increasing from time to time the brethren began contemplating the possible need of a protracted service, which finally led to a permanent decision to invite Rev. A. M. Simmons to conduct it, and thru the inspiring messages and untiring efforts of this wonderful spirited man of God there has been an outpouring of the Holy Spirit which will be remembered thru the ages. The woodland round about sounded with the cries of the unsaved and shouts of new-born souls. Quite a number of church members of long standing made new and public confession, Mr. Simmons forcefully impressed upon the people the need of a new birth in Christ and the horror of depending upon a church salvation. We praise God for this good meeting and may the angels of love and mercy ever hover along the pathway of Rev. A. M. Simmons. ONE PRESENT.

Soldiers' Testaments

No more appropriate gift could be made to a soldier than a New Testament, and believing that many Pickens county parents would like to make such a present to their boys, The Sentinel has secured a number of copies of the New Testament which will make particularly pleasing presents for the boys. These testaments are emphasized with the words of Christ printed in bold face type. Strongly and neatly bound in khaki colored Morocco grained waterproof Keratol—flexible limp cover, embossed gold bands, round corners, khaki edges, gold title, beautiful embossed American flag in colors on the outside cover. Printed on specially strong Bible paper. Only 3x4 inches and half an inch thick. Type is plain and clear—self-pronouncing. The four great American hymns are printed and bound with this sailors and soldiers testament. These testaments are made especially for boys in the military service.

As we have only a limited supply we can only let subscribers of The Sentinel have them at present. The price is 43 cents each. When ordering by mail add 5 cents extra for each Testament.

Don't send your printing orders away from home without giving The Sentinel a chance. The Sentinel can do as good printing as anybody anywhere and will appreciate your patronage and deliver the work on time.

THE MITCHELL STANDARDIZED WAGON

We have just received a car of the old reliable MITCHELL WAGONS and, strange to say, they are better built, better ironed, and a better wagon today than The Mitchell Wagon Company has ever turned out.

The 2 1-8 One-Horse Mitchell at	\$ 65.00
The 2 1-4 One-Horse Mitchell at	70.00
The 2 1-2 Two-Horse Mitchell at	105.00
The 2 7-8 Two-Horse Mitchell Wagon at	115.00

Sounds a little high, we'll admit, but not as high as the next car will be nor as high in proportion as cotton and other farm products.

Buy Them And Help Win The War FOR SALE EVERYWHERE

In 1911 The Mitchell Wagon sold for \$60 in the 2 1-2 two-horse, and cotton was 10c lb., taking 600 lbs. of cotton to pay for a 2 1-2 wagon. Today the 2 1-2 wagon is \$105, while 600 lbs cotton at 25c. lb. comes to \$150, which buys the same wagon and leaves you \$45. No higher price today than other wagons, but better test. We have sold hundreds of them in Pickens county, and have yet to find one dissatisfied customer.
