LOCAL AND PERSONAL

Court convened Monday morning. Besides organization not much was done the first day.

There will be a family reunion at P. E. Alexander's home the fifth Sunday in September. All relatives and friends invited.

The number of men between the ages of 18 and 46 who registered in Pickens county September 12 for military service was 2909.

Somebody left a raincoat in the auditor's office last March or April. Owner may get it by calling on Auditor Townes and describing it.

The United States government says that after October 1 newspapers cannot be sent out unless paid for in advance. A hint to the wise should be sufficient.

Mr. and Mrs. Guy McFall, Mrs. Frank McFall and Mrs. William Smith, of Pickens, spent a day last week with Mr. and Mrs. Wayne Mauldin in Seneca.

Miss Sunie Gibson spent last week-end with relatives in Greenville. She will leave in a few days for Philadelphia, where she will do office work for the government.

J. L. O. Thompson of Pickens has gone to Bryson City, N. C., to take charge of the newspaper there. He is a newspaper man of much experience and we wish him lots of success in his new venture.

Oliver Boggs, who has been in the officers' training camp at Plattsburg, N. Y., for some time, has been visiting his parents, Mr. and Mrs. A. J. Boggs, in Pickens, before reporting at the University of South Carolina for two more months' training, after which he will be commissioned lieutenant.

We have been greatly handicapped in issuing The Sentinel this week. We are short of help, and alterations being made in our office has hindered us some, and our gasoline engine became debilitated and refused to perform, besides other minor things which are not on our regular schedule to happen.

M. M. Hollis and wife of Piedmont are visiting relatives and friends in Pickens county. They are natives of this county, born and reared in the Six Mile section, and left here twenty-three years ago. Mr. Hollis is a Confederate veteran and is greatly enjoying meeting up with some of his former comrades.

John L. Thornley and family left Pickens last week for Clinton, where Mr. Thornley has accepted a position as outside overseer for a large oil mill and fertilizer company. This family has lived in Pickens for many years and their departure is regretted by many. Prof. McKinney and family have moved into the Thornley house.

The offer of a set of kitchenware free to every purchaser of a Majestic during demonstration week is genuine. It is an out-and-out gift to every purchaser of a Majestic range and the price of this range with a reputation remains the same. See this demonstration during the week commencing October 1 to 8 at our store. T. M. Gantt, Central, S. C.

Fair Notice To All

For quite a number of years I have furnished "hitching posts" for the town of Pickens. My fence has been used over my protest to the town authorities and to the parties as they hitched thereto, which is a wire one. The stock has torn the wire away, and, feeding against it, has caused my cattle to break the strands—they get out and I have trouble about it. This is to give notice to the public that hereafter any stock tied to my fence will be immediately turned loose, and you and the town authorities can do the rest. My advice is, if Pickens authorities do not appreciate your trade enough to furnish adequate hitching facilities, go where they do appreciate it.

Very respectfully,

J. L. O. THOMPSON.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is cataract. Cataract being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Cataract Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Cataract Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F.
