PICKENS' BRIGHT OUTLOOK.

Waterworks and Sewerage System to be Installed.

With recovery from the business depression which is expected soon, and resumption of "business as usual," the outlook for the growth of Pickens in a material way is the brightest in the town's history.

With new good roads radiating in every direction from town, with the new highway across the mountains into North Carolina opening up new trade territory, with a good system of waterworks and sewerage, and the probability of the Southern Power Company running an electric line to Pickens and furnishing twenty-four hour current, it is no wonder the people of the town are facing the future with optimism and feeling good over the prospects before it.

Right now, perhaps, Pickens citizens are more interested in the installation of a water works and sewerage system than any other public work, and a majority of the people seem to think that work on the installation of these systems should begin at once. It will be remembered that in October, 1919, the Pickens voters voted unanimously in favor of the town issuing \$35,000 worth of bonds for a waterworks system and \$20,000 for a sewerage system. The bonds were sold shortly after the election and the money has been in local banks since that time. Interest on the money has accumulated until the town now has in hand about \$60,000 with which to put in the systems.

Owing to the high price of material and labor a year ago, it was thought advisable not to attempt the work of putting in water works and sewerage at that time with the amount of money in hand, and time has justified the judgment.

Most of the citizens now think it is time to begin the work and that the money now in hand will put the conveniences over the greater portion of town and not only add to the healthfulness of the place but make it a more attractive place in many ways.

Indications are that immediately after the approaching municipal election definite steps will be taken toward installing the systems which will mean renewed activity and the beginning of the greatest growth in the history of Pickens.

INCREASED TELEPHONE RATES CAUSE COMPLAINT.

Telephone subscribers at Easley and Pickens are considerably wrought up over the increase in telephone rates to be put into effect April 1 and many are threatening to have their telephones taken out. Regular telephone rates will be advanced about twenty per cent for purely local service and there will be no Easley and Greenville service from Pickens or Pickens and Greenville service from Easley, as heretofore. Each call from Pickens to Easley or from Easley to Pickens will cost ten cents and from Pickens to Greenville will cost twenty-five cents in addition to the regular phone rent.

As Pickens and Easley are so closely identified and much business is transacted over the telephone, there is considerable complaint about the regular service between the two towns being discontinued and an extra tax of ten cents for each call being added.

We have just learned that practically every telephone subscriber in Easley has agreed to discontinue telephones April 1.

WILLIAM AUGMAN JENKINS.

William Augman Jenkins was born Jan. 1871, at Sandy Flat, Greenville county, and departed this life March 22nd, 1921, at his home in Rosman, N. C. His death is a source of sadness not only to his family but to his many friends throughout this county.

About fifteen years ago he was married to Miss Mary Spearman of Anderson county, and to this union nine children were born. Besides being survived by his wife and children, he leaves behind his father. Some time back his mother and two sisters preceded him to the grave. They were buried at Porter's Chapel, a few miles north of Pickens, and W. A. Jenkins was laid to rest beside them.

About two years after his marriage to Miss Spearman, he purchased a farm near Rosman, N. C., at which place he lived and reared his family until he was summoned into the great beyond.

When a very young man he united with the Methodist church at Porter's Chapel and remained a member until his death. It can be well said of him that he was a devoted father and husband, a citizen whose example we all can afford to follow, and a consecrated christian.

He was brought to the home of his brother-in-law, Mr. A. S. Porter, of Pickens, and was buried the following day, March 26th by the Masons of Pickens. The religious services were conducted by Rev. C. R. Abercrombie, one of his old school mates.

CENTRAL ITEMS.

Mr. J. W. Julian has been appointed rural police for Pickens county by Gov. R. A. Cooper. Last week Mr. Julian received his commission as rural police for Pickens county. Mr. Julian has had experience as an officer for about seven years and he has been chief of police for Central for more than two years and has made an excellent officer of the law. We are sorry to lose Mr. Julian as chief police, but we do not believe any other man in Pickens county would have had as near the unanimous endorsement as Mr. Julian has for rural police in this section of the county where he will do the most of his work, for he has made many friends since he came to Central. He has lost no time since he received his commission for he has already sent up several cases. Mr. Julian says he will appreciate the cooperation of the people in helping him enforce the law. A telephone call or a letter properly signed will get him. He says if you need him not to hesitate to call on him, day or night.

Capt. J. H. Rowland who has been confined to his bed for some time is out again. His many friends rejoice with him.

Dr. J. D. Bearden, who has been on the sick list for several days, is able to be up again, which is a delight to all of his friends.

Mrs. H. E. Seaborn, who has been in Greenville for several weeks, came home last Friday, she and her little son.

In the afternoon of the beautiful Easter Sunday, March 27th, 1921, John Harvey Borroughs passed away after an illness of several months. He longed to stay with his wife and children, having undergone two operations, but when he saw that he could not stay he was submissive to God's will and bore his suffering without a murmur, being able to greet his loved ones and friends with a smile even to the last.

He was the son of the late James H. and Martha Borroughs and was born and reared in the Praters Creek section of this county, being forty-five years old when he passed away. He is the seventh of fifteen children to be buried with their parents in the family cemetery near the old home. About three years ago he moved his family to Liberty, and during this time they have made many friends here.

Besides his wife who was Miss Zora Smith, and four small children, he leaves the following brothers and sisters: Frank, Claude and Ralph; Mrs. Sam Boggs, Mrs. T. R. O'Dell, Mrs. Norman Boggs, Mrs. Fred Eskew and Mrs. Wm. Holt. After a short funeral service at the home by Rev. E. W. Mr. Ferguson was twice married. His first wife, who was a Miss Ellis, of this county, died many years ago. His second wife, who was a Miss Ragsdale, of this county, and the following children survive him: Mrs. Ben Holder, of Pickens; Mrs. Tom Freeman, of near Pickens; Mrs. C. C. Lewis, of Praters; Charlie, of near Pickens, and Frank, of this county.

Mr. Ferguson was one of the best known men of the county and a splendid citizen of jovial disposition. He will be greatly missed.
