Spring fever is raging.

The English miner strike seems to be a major one.

We suppose pleasant people live in the Pleasant Grove section.

Some guy up in Illinois claims the earth is flat. It does look like it's flat broke.

The woods are now beautiful with gorgeous decorations of Dogwood blossoms.

Well, we trust they will not make the world safe for democracy any more soon.

No doubt President Harding is beginning to think there are more than 3,000,000 unemployed.

Oceonee should be doing nicely with Richland and Bounty Land both within her borders.

"The worst is behind us," say business review. Yes, but it keeps too close behind us.

While Mr. Harding picked a large melon for his cabinet, we trust he hasn't plucked any lemons.

We don't mind Mr. Viviani "touching our shoes." What we object to is his touching our trousers.

The Pink Lady will kindly excuse these blushes and consider our chapeau doffed to her in our most gracious manner.

Four things that are greatly missed by one who returns to Pickens after an absence of two or three years are the encouraging smiles and kind words of Mr. Mc Bruce at the corner of the Pickens Bank building and the familiar figure and welcome greeting of Dr. J. N. Ballam at the Pickens Drug Co. store.

TRADE AT HOME.

This paper cannot open too strongly upon its readers the necessity for trading at home, for it is only in this way that we can hope to build up our town, our schools and our county. In no other way can we hope to have paved streets and good roads and the many other modern improvements that a progressive community demands and needs. Money spent with merchants in other cities is gone from this particular community forever, to help build up the prosperity of another section. Money spent at home stays here to give YOU the improvements that you have a right to expect.

SINGING CONVENTION.

The Pickens County Singing Convention will hold its spring session on the fourth Saturday and Sunday in April, which is the 23rd and 24th, at Mt. Carmel Baptist church in the eastern part of the county. We are expecting some good singers to be with us. Everybody has a special invitation. Dinner on the ground both days.

A CORRECTION.

The item in last week's Pickens Sentinel stating that the closing exercises of the Lenhardt school would take place Thursday night, April 7th, was in error. The item should have stated that the closing exercises of the Maynard school will take place Thursday night, April 7th. This error was caused by a misunderstanding over the telephone and we gladly make the correction.

The public is cordially invited to attend the exercises at Maynard and an attractive program has been arranged.

COTTON MILL FINED.

The Isaquena Cotton Mills at Central were convicted before a magistrate in Central for having worked employees overtime and fined \$25 for violation of the labor laws, according to reports. Inspectors brought the case and obtained the conviction, the department of agriculture having charge of the case.
