## THOMAS CHARLES HEMBREE.

Thomas Charles Hembree, the little eighteen-months-old son of Mr. and Mrs. John Hembree, died after a three weeks illness, March 26, 1921. He suffered during this illness, still he was as patient and meek as a lamb, scarcely heard a cry from him. Charles was an affectionate child and loved by all that knew him.

We miss, oh, we miss him here below. But how happy we are to think that through the blood of our dear Saviour we shall be with him in that home over there.

Oh, not in anger, not in wrath,  
The Reaper came that day,  
'Twas only an angel of love  
Bore the flower away.  
One who loved him.

## SCHOOLS TO MEET.

On Friday, April 8th, the eight schools, namely: Walker McElmoyle, Lebanon, Piercetown, Melton, Hammonds, Mt. View, Airy Springs and Three-and-Twenty will meet in a get-together meeting at Three-and-Twenty school house.

We shall have a meeting of teachers and all trustees that can come.

We have several names suggested for our association. We want the teachers to come prepared to adopt rules and regulations for such an occasion.

We welcome all other schools that would like to come. We trust all will bring well filled baskets and have a picnic dinner together.

# Make Every Field Hog-Tight

Good Fencing protects your live stock and growing crops. After harvest you can pasture fields as desired. From year to year you can rotate crops scientifically. In fact, good fencing is essential to modern, profitable farming.

## "Pittsburgh Perfect"

### Electrically Welded Farm Fencing

helps put farming on a business basis. It puts fields entirely under your control, enabling you to farm them most profitably.

There are heights and designs of "Pittsburgh Perfect" fencing for every farm purpose. It is a perfected fence of uniform high quality, and every rod guaranteed. The electrical weld makes it a one-piece steel fabric of great strength and durability. See us for your fencing, barbed wire, staples, etc.
