Circle No. 1 of the Woman's Missionary Society of the First Baptist church met at the home of Mrs. J. W. Hunter Monday afternoon with Mrs. J. W. Hunter and Mrs. John Hunter as hostesses. This circle will be known as the Pruitt Circle, named for Dr. and Mrs. Samuel Orr Pruitt, of Anderson, S. C., who sailed last summer to do work in the Chenchow Hospital in China. The program for Monday afternoon was in charge of Mrs. D.H. Kennemur, and the topic was prayer. This being a subject of vital importance the program was both interesting and helpful. The following program was carried out: Sang "Sweet Hour of Prayer." Scripture reading, John 15:1-12. Prayer. Repeating of slogan, Lord, Teach us to Pray. Interesting papers on the following subjects were read: "Lord Teach us to Pray." "If ye Abide in me, Tom's Awakening. A Prayer Meeting Disturbed—and the outcome, written by Rev. Maxey G. White, of Brazil. Song, "What a Friend we Have in Jesus."

Each member responded to roll call with a Bible verse relating to prayer. The meeting was dismissed with the Lord's prayer in unison. After the meeting a social half hour was enjoyed during which a sweet course was served. The home was beautiful in its decoration of May baskets.

WHOOPIING COUGH.

This is a very dangerous disease, particularly to children under five years of age, but when no paregoric, codeine or other opiate is given, is easily cured by giving Chamberlain's Cough Remedy. Most people believe that it must run its course, not knowing that the time is very much shortened, and that there is little danger from the disease when this remedy is given. It has been used in many epidemics of whooping cough, with pronounced success. It is safe and globe and for no more pleasant to take.—Adv.
