NO APPEAL IN BALLEW'S CASE.

No appeal will be made in the case of Wade Ballew, convicted week before last at Pickens of manslaughter in connection with the killing of Chief of Police Holcombe of Easley several months ago. A statement to this effect was made Saturday night by E. M. Blythe, of Martin & Blythe, counsel for Ballew.

Following the jury's verdict of "guilty of manslaughter," Ballew was sentenced by Judge Mauldin to serve six years in the state penitentiary. He has been taken to Columbia by Pickens county officers and has begun serving his sentence.

Robert Wilson, tried with Ballew for murder in connection with Jolice Chief Holcombe's death, was acquitted.

L. T. WATSON RE-ENLISTS IN MARINES.

Mr. Lynn T. Watson, son of Julius R. Watson, of Easley, S. C., re-enlisted in the Marine Corps at their recruiting station in the Austell building, Atlanta, Ga., a few days ago, according to Captain P. C. Geyer, Jr., U. S. M. C. officer in charge.

Private Watson had served his country for eleven years as a member of various units in the army, during the late war saw service in France. He re-enlisted for four years, and was transferred to the large and healthy training camp of the Marines at Paris Island, S. C., where he will "brush up" on his drills, and will then be ready for service in the various posts of the Marine Corps.

While at Paris Island, Watson will indulge in that sport of sports—marksmanship, he will spend a few weeks on the large rifle range of the Marines, where he will have an opportunity to qualify with the Springfield rifle. He will also have an opportunity to visit the "ele swimming hole" and participate in various sports during his leisure moments. Sports that help so much in the physical upkeep of the world's famous Marine.

A BIRTHDAY DINNER.

On June 7 the children and grandchildren of Mr. O. C. Thompkins assembled at his home on East Main street to celebrate his seventy-fourth birthday.

The day was clear and beautiful, and very early the crowd began to come. All brought well-filled baskets which were enjoyed by all at the noon hour. There was an abundant supply of eatables and some of the neighbors were invited to share them.

Mr. Tompkins enjoyed himself very much among his relatives and received several nice presents. He is a well known citizen, having been born in Pickens county and lived here all his life. He is a Confederate veteran, having served thirteen months with the state troops in South Carolina, North Carolina and Virginia. He was taken out of the school room during the seventeen-year-old call and served until the surrender.

CENTRAL ROUTE THREE.

Rev. Mr. Crawford filled his regular appointment at Mt. Tabor Baptist church Sunday morning at 11:00 a. m. A large crowd attended.

Prayer meeting at Mt. Tabor is progressing very nicely. Everybody come and bring some one else with you.

Mr. and Mrs. R. W. Rice were the guests of Mr. J. J. Rice, Mrs. Elijah Chapman and Mrs. J. W. Head last week.

Crops in this section are looking fine, although a good shower would be a welcome visitor.

Misses Gertrude Moore, Alma Rice and Mr. Henry H. Jordan spent a pleasant afternoon in Clemson Sunday.

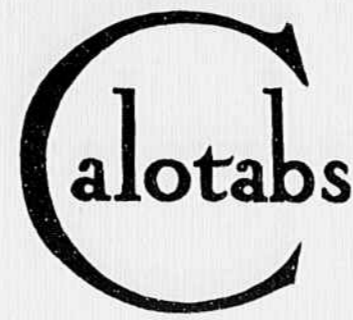

Mr. Neville V. McTeer and one of his friends took a little spin to Seneca Sunday afternoon to see their best girls.

Mr. Arthur Head is on an extended visit with home folks this week. Grey Eyes.

MEDITATION OF A SPIDER.

Said the spider to himself, "Every time I get my web woven in or around the store doors of the stores that advertise in The Progress and Sentinel I hardly get it finished, during the night, then early in the morning the people begin to pour in and out until every strand of my web is gone and I have to take refuge in the crevices of the walls to keep from being trampled to death. So I have decided to move my place of business to the store that does not advertise. There I shall not be molested, my web will remain intact and there will be plenty of flies and bugs caught in the web, for there is no passing to frighten them away. So I shall grow fat and have ease and plenty."

RECOMMENDS CHAMBERLAIN'S TABLETS.

"Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Newton Vreeland, Minola, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.

"WHY SO PARTICULAR?"

asked a woman recently when we were examining her eyes. "Because failure to be particular and careful may mean more eyestrain and more discomfort instead of the relief and easy vision that result from wearing the right glasses rightly made and fitted."

We have the latest instruments for doing careful, skillful, particular work and the disposition to do it.

WHY SUFFER FROM RHEUMATISM?

Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment, which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.
