HEAR TOM WATSON SPEAK.

D. A. R. MEETING.

The beautiful suburban home of Miss Aurie Kirksey was the meeting place of an interested body of women on last Friday afternoon when Miss Kirksey and Mrs. Jas. Kirksey were the hostesses of the Fort Prince George Chapter D. A. R. They were assisted in entertaining by their sister, Mrs. Tolbert, of Greenwood, Mrs. Sadler, of Greenville, and Mrs. Sheriff, and the Chapter was most fortunate in that it had planned its meeting during the home-coming time of this family.

The business program was full of matter of local interest, and an important step was agreed upon when the Chapter as a unit asked for the opening up of the Red Cross rest room, that the community might heed the appeal for the relief of the Near East.

The historical study was full of interest. Mrs. Roark read an enjoyable article on the Liberty Bell, incident to the fourth of July, and the Chapter agreed to visit Fort Prince George on that day. Mrs. Cary read a sketch of the life of Henry Laurence, and Mrs. T. J. Mauldin told of the personal life of the Washingtons, and of the building of Mount Vernon, and the establishment of an estate unequalled in America even in that day. She also told how it was left for a daughter of South Carolina, Ann Pamela Cunningham, to reserve the estate when it was to be sold to the highest bidder in 1858, and by restoring to it its former grandeur and beauty, make of it a national shrine.

Interest in the organization of the D. A. R. is continuing and new members are being added constantly.

HISTORY OF THE LIBERTY BELL.

Here are some things about the bell it would be well to cut out and paste in your scrapbook.

July 1, 1776, the bell was rung for the proclamation of the Declaration of Independence.

October 24, 1781, the bell rang out for the surrender of Cornwallis. April 16, 1793, it rang out for the proclamation of peace.

September 29, 1823, it rang to welcome Lafayette to the Hall of Independence.

July 4, 1826, it ushered in the year of Jubilee, the fiftieth anniversary of the republic.

July 24, 1826, it tolled for the death of Thomas Jefferson.

July 4, 1831, is the last recorded ringing of this famous bell to commemorate the Day of Independence.

February 22, 1832, is its last recorded ringing to commemorate the birth of Washington.

In the same year it tolled the death of the last survivor of the Declaration, Charles Carroll, of Carrollton.

July 2, 1835, it tolled once more, Lafayette was dead.

July 8, 1835, while being tolled for the death of Chief Justice John Marshall, a crack was developed, starting from the rim and inclining in a righthand direction toward the crown.

Another attempt was made to ring it on Washington's birthday, February 22, 1843, but the fracture was so much increased that no attempt has ever been made to ring it since. Its voice is now silent, and yet it will ring in the hearts of all patriotic people so long as the name of liberty shall last.—Leaves of Light.

MEMORIAL SERVICES FOR REV. B. F. MURPHREE HELD AT MILE CREEK BAPTIST CHURCH.

Per resolution adopted in Twelve Mile River Association, held at Boon's Creek Oct. 7-10, 1921. The association met at Mile Creek July 3, 1921, in a memorial service in respect of Rev. B. F. Murphree who was buried in Mile Creek cemetery one year previous to this date. Bro. Murphree had been moderator of this association for twelve years, resigning about six months before his death. He had pastored almost every church in the association and some in other associations. He was held in high esteem by all who knew him; had baptized about three thousand converts during his ministry; was known as a great peace maker among his people, always ready to speak a word of comfort or encouragement to his fellow man, never criticised even his worst enemy, discharged his Master's work without a frown, always with high ideals and a determination that convinced all whom he came in contact with that he was a man of God. We thank God for such a life, a life that can be missed while we realize his place will be hard to fill, nevertheless we are willing to bow to the will of Him who doeth all things well. In respect to the cause for which he stood and to the memory and honor of Bro. Murphree, the Twelve Mile River Association erected a monument to his grave that will demand the attention of any passerby and furnish an inspiration to the untold future. So may we ever cherish his memory and strive to build a character that will have as reaching influence as his.

The morning game was featured by the heavy hitting of the Alice Mills team, they getting 27 hits during the nine innings and knocking three of Pickens' pitchers out of the box. Tilson for Alice led the hitting, getting seven hits out of eight times at bat. Jones, Barrett and Turner and Manley also landed for four or more safeties each. Adkins featured in fielding, taking seven chances without an error. Kilby, pitching for Alice, had the Pickens batters at his mercy at all times keeping the few hits allowed well scattered and at no time being in danger of losing the game. Pickens' best batters were unable to solve his delivery and except in the first inning, when he allowed two hits, and in the fourth when Pickens bunched three hits, they were unable to score.

In the afternoon the Pickens team was reinforced by some of the Liberty players and put up a better game, the score being 10 to 5. Stewart, one of the Liberty men, pitched a good game for Pickens and with good support the score might have been different.
