## DESPAIR LURKS IN WEAK BLOOD

Gude's Pepto-Mangan, the Blood-BUILDER, Arouses Dull Faculties

Many a man and many a woman feels all out of sorts from thin, weakened blood. The least little thing goes wrong throws them into a wild form of despondency. Instead of bracing up and meeting ordinary difficulties, they are drowned. Nerves are on edge. Appetite lags. Sleep is restless. They are weak and tired and dull. Poor blood works its havoc till the will loses its power. Few people who fall into habits of worry and despondency realize that most of their troubles are due to lack of endurance to blood that has become weakened by overwork or straining.

Healthy men and women with rich, red blood see things brightly. They tackle life with zest and go along smilingly, full of eagerness and endurance.

Gude's Pepto-Mangan taken steadily restored the blood to its natural richness. It actually makes red corpuscles, the tiny particles in blood which make it red. Druggist have Gude's Pepto-Mangan in liquid and tablet form. Advertisement.

## The One-Ton Truck

The Ford One-Ton Truck first made its appeal to the farmer and the merchant because of the merits of Ford Cars. And it made its wonderful reputation and great sales record because it lived up to every claim made for it.

The reliable Ford Motor, the special Ford steel chassis, the aluminum bronze worm-drive, all combine to produce a truck of unusual power, capacity and strength—a truck that lasts in service; a truck that solves the haulage problem at a very small operating and upkeep expense. Hence the demand for the Ford One-Ton Truck is constantly on the increase.

For the good of your business, whether it be farming, merchandising or manufacturing, you should come in and look over the Ford One-Ton Truck—NOW!

### IMPORTANT

We are prepared to furnish the Ford Truck equipped either with Standard or Special Gearing. The Standard Gearing gives the truck a maximum of power. The Special Gearing increases the speed of the truck from five to seven miles an hour, converting it into a Fast Delivery Car.
