CHRISTOPHER TILMAN LUSK.

On January 15, 1922, at 1:30 o'clock the Lord sent the Death Angel to Christopher Tilman Lusk and carried him home. He was a victim of cancer of the stomach and notwithstanding the great suffering he bore it patiently until the last. His age was 30 years, 11 months and 15 days. He was a brave soldier of the Lord, a kind son, a devoted husband and father. He leaves a wife and five children, besides father, mother, seven brothers and two sisters to mourn his departure. Truly a good man has gone to his reward.

He is gone, his voice is stilled, a place is vacant in our homes and hearts that no human can fill. But we bow in submission to the Lord, knowing He knows best. Broad is the road that leads to death and thousands walk together there, but wisdom shows a narrow path with here and there a traveler.

Deny thyself and take thy cross is thy great Redeemer's command, nature must count her gold but dross if she would gain that heavenly land. With reverence let us appear and bow before the Lord, His high command with reverence hear and tremble at his word.

Oh, Jesus, Lord of earth and heaven, our life and joy; to thee be honor, thanks and blessings given through all eternity.

His father,
R. M. Lusk.

MARIETTA ROUTE TWO

Health in this community is not very good at this present time.

Rev. Mr. Garne filled his regular appointments at Peters Creek and Nine Forks, Sunday.

Mr. L. S. Edens made a business trip to the city of Pickens recently.

Several boys in this section went rabbit hunting one day last week, and just say folks, you ought to have seen the tracks they made getting home. Don't know as yet what their notion was for running so. Say, boys if I were to go rabbit hunting with a gun and plenty of dogs, it would take more to scare me out of the woods, I think, than it did you all. You needn't think we don't know all about that! Ha! Ha!

We folks up in here need a little shower to settle the dust. The automobiles have been raising too big a dust for the past week.

Mr. and Mrs. Wix Mayfield of the Mt. Tabor section have moved into the house just vacated by Mr. Joe Hendricks.

Misses Emma and Caroline Jones and their brother Vern, visited at the home of Mr. W. A. Edens this week.

WHY DO THEY LIKE THIS MAN?

It is Because He Has the Life and Energy that Red Blood Gives.

He has a good color. He is strong and virile, and looks it. He is good humored. He laughs easily. In short, he is "full of life," which is simply another way of saying he is full of red blood. If you are weak and run down and nervous, don't sleep very well and have poor appetite go to your druggist and buy a few bottles of Gude's Pepto-Mangan and take it for a few weeks at meal-time. See how it will build you up by giving you plenty of good blood. Don't drag around half sick and half well. Get some "pep" into you by taking Pepto-Mangan. Sold in both liquid and tablet form.
