FOR THE IMPROVEMENT OF RURAL MAIL SERVICE.

By direction of the Post Office Department, postmasters throughout the country have recently made an inspection of the rural routes from their offices.

It is the desire of the Department, and its purpose, to provide adequate and convenient service, so far as may be possible, to all persons residing in rural communities, but this end can not be attained without the full cooperation of the patrons in the efforts of postmasters and carriers to serve them promptly, regularly and satisfactorily.

Whatever facilitates the work of the carrier is of direct benefit to the patrons, for the greater the ease and speed with which a carrier may cover his route the earlier and better the service afforded.

So, patrons of rural delivery can greatly help themselves by helping their carrier, seeing to it that roads are kept in good condition and promptly opened after storms, by keeping the approaches to their boxes clear, and by promptly and willingly correcting any irregularities affecting their boxes when asked to do so.

Another great assistance that patrons can render carriers is by keeping themselves supplied with and using stamps instead of placing un-stamped mail, with money for the purpose of the required postage, in the boxes. This delays the carrier and sometimes imposes a great hardship on him, especially in cold or stormy weather. If preferred, stamped envelopes, either printed or plain, may be obtained from the carrier, are of good quality, and cost but little more than the value of the stamps upon them, and are redeemable at the value of the stamps, if damaged, but returned in a practically whole condition. If necessary to place money in a box, it should be put in a coin-holding receptacle or be properly wrapped, so as to be easily picked up by the carrier.

Money for the purchase of money orders should not be left in the boxes but should be handed to the carrier and a receipt obtained.

ALONG PICKENS ROUTE 3.

Health is very good except an epidemic of colds.

Mr. and Mrs. B. R. Gilstrap spent Sunday at the home of Mr. and Mrs. Perry Gillespie.

Mr. and Mrs. Eugene Gillespie of the Praters community spent Sunday with home folks on route 3.

The teachers from this section who attended the teachers' meeting at Liberty Saturday were Misses Louise and Annie Gravely and Eleanor McDaniel.

We are glad to know that our old friend and neighbor J. Matt Stewart of Pickens is moving back to our community.

Mrs. Wade Stewart and children of Pickens are visiting friends and relatives in this section.

Mr. and Mrs. C. C. Evans, who have been living in Easley for the past year, have moved back to their old home community.

Mr. and Mrs. Will Cater and children of the Praters community spent Sunday at the home of Mrs. A. P. Peritt.

Twelve Mile school is progressing nicely with Mrs. Olive Adams as principal and Miss Louise Gravely assistant. We are proud of our new building. The children were pleased to leave the old house down in the hollow and go out upon top of the hill to the handsome three-room building where they would have plenty of room and light. The building is completed except a few hours painting and a few other small jobs. We are using the old seats and some chairs at present. The next move will be to equip all three of the rooms with patent desks between now and spring.

Robert Welborn attended the Billy Sunday meeting at Spartanburg when he spoke to the Masons of South Carolina. There were 2,800 Masons present from all parts of the state. They met at the county court house and marched two and two to the Tabernacle. Mr. Sunday preached on the life of King Solomon. What does a man get out of life was theme of sermon. Each Mason gave a dollar toward the expense of the meeting, making a total of \$2,800. Everybody ought to hear at least one of Rev. Sunday's sermons. Reader.

SHE LOOKS SO WELL AND HAPPY

See the rich, red blood, this sign of health, showing in her lovely cheeks.

Some women have naturally beautiful complexions that tell you there is plenty of richness in their blood. Their figures become well formed, supple, rounded, and graceful. These are the results of rich, red blood, and plenty of it. There is no need of being thin and scrawny from poor blood. Get a few bottles of Gude's Pepto-Mangan—take it with your meals for a few weeks. It will give you plenty of red blood. By building up the blood you give the entire system a chance to restore itself naturally, and that all the effects and joys of good health. Get Gude's Pepto-Mangan at your druggist's in liquid or tablet form. Advertisement.
