

A GOOD TONIC FOR OLD PEOPLE

Gude's Pepto-Mangan Restores Strength and Prevents Illness.

Aged people often need a good blood tonic. When the blood becomes clogged with poisons from the system, Gude's Pepto-Mangan purifies it by driving off the waste matter. Good blood is full of vitality and prevents illness, giving the body greater power of resistance. The weakness of old age are greatly helped by a supply of rich, red blood. Gude's Pepto-Mangan is sold in liquid or tablet form by all druggists. It has been recommended by physicians for 30 years and is a valuable tonic and builder for the weak and run-down of all ages from childhood to old age. Advertisement.

HOW TO SETTLE UNPAID TAXES.

Bill Now Before Senate Provides For Installments.

Unpaid taxes, accumulated for two or three years, will be on the people this fall, especially large landowners in the lower part of the State.

The chief argument used against the extension of the time for the payment of taxes was that it failed to solve the problem and merely postponed the sheriff's execution, and piled up a double burden for payday, fixed to fall before any financial relief can be hoped for.

Is it not the duty of the general assembly to provide a real solution? Are the farmers aware that this is contained in the Wells, McCravy Bill newly introduced in the Senate? I say "farmers," but I am told that many "bankers" say they cannot borrow the money to pay their back taxes.

This bill provides for the settlement of past due taxes, to be hereafter due and payable in five annual installments, with seven per cent interest, along with the current taxes of 1922-3 4-5-6, and prevent the wholesale disfranchisement of our voters.

Taxes now in arrears amounting to \$500 on a plantation in the Boll-Wee, vil area could thus be paid through five years at the rate of \$100 a year, plus interest, instead of being all added to the taxes for the present year.

The people are undergoing an unprecedented strain. Their State should not press them to the wall, but should remit penalties and grant them. That is what banks and creditors generally have magnanimously and wisely done since the "deflation" trap was sprung and universal bankruptcy has been pending.

This Bill further provides for the State to borrow at low interest in New York on the past due taxes as collateral and advance the cash to the counties, thus relieving schools and other public necessities from present suffering or stopping through the present impossibility to collect taxes. It meets the emergency.

The Bill is a solution-a relief to both tax-payers and counties, especially schools. It makes dead assets liquid and prevents general disaster. But time is short and quick action is necessary. Any one favoring the measure might telegraph his senator and write his representatives.

SIX MILE NEWS

Six Mile academy has one of the best basket ball teams in the county. They played five games with different schools in Greenville and other counties and won four of the games.

The community is much grieved to learn of the death of Miss Myrtle Littleton of Salem which occurred at Long Creek academy last week. She has been a student at the Six Mile academy for several years but was attending Long Creek this year. She was a good christian girl and made many friends here who regret to learn of her death.

Miss Shirly, a member of the faculty, spent the week-end with her parents in Anderson county.

Miss Trogdon, also a member of the faculty has returned from her home in Union much improved after having tonsillitis.

The singing convention which met at Six Mile Sunday afternoon was largely attended by people from all over the county. There were a number of good singers and plenty of good singing.

Prof. W. C. Mann was away on business last week. A. D. Mann, Jr., acted as principal of the school in his absence.

The Six Mile school district recently voted on four mills additional school tax which guarantees them a seven months school term. We congratulate the district on this forward movement. They should have had a seven month school years ago.

Mr. R. P. Prince has gone to Charleston this week to attend a Mason meeting.

Rev. F. S. Childress will preach his last sermon at Six Mile as pastor of the church next Sunday. We regret very much to give up Mr. Childress for his place will be hard to fill. We can recommend him to the field to which he is going. The new pastor has not been secured.
