

Mrs. Ruth Williamson

Birmingham, Ala.—"After becoming a mother my health gave way. I suffered severely with a pain low down in my right side. My sister-in-law having been cured of a bad case of feminine trouble by taking Dr. Pierce's Favorite Prescription, advised me to take it, which I did. I am now starting on my third bottle and the pain has all left me. My husband said to me the other day, 'That Favorite Prescription must be a wonderful medicine, I don't hear you complaining any more.'"—Mrs. Ruth Williamson, 4010 First Avenue.

You should obtain this famous Prescription now at your nearest drug store, in tablets or liquid, or write Dr. Pierce, President Invalids' Hotel in Buffalo, N. Y., for free medical advice.

SEVEN ARE KILLED AND SIXTEEN HURT

WHEN COACH TURNS OVER ON TRESTLE AND FALLS INTO CREEK 50 FEET BELOW.

ASSISTANCE FROM ATLANTA

Accident Occurs on Atlanta, Birmingham & Atlantic Railroad in the Early Morning Hours.

Atlanta, Ga. — Seven persons were killed and sixteen injured when a passenger coach of an Atlanta, Birmingham & Atlantic train, en route to Fitzgerald, was derailed 15 miles from Atlanta and sent crashing into Camp creek, 50 feet below.

Approximately 30 persons were in the coach, the last of the train, when a wheel on the first truck burst, sending the car bumping over a hundred yards of ties before the trestle was reached, and it was almost across, when it suddenly turned over. The coach tore away from the preceding car as it fell and was almost completely demolished when it dropped into the shallow creek.

The seven persons killed, six men and one woman, met instant death, their bodies being badly mutilated.

All of the injured are expected to recover.

Scores of other passengers and persons from nearby towns, spurred by the cries of the injured, worked in the wreckage, releasing those imprisoned and removing the dead.

Ambulances and physicians were rushed from Atlanta, and the injured and dead removed to hospitals and morgues here.

The following list of dead and injured was issued by the A., B. and A. officials, after checking with the hospital authorities:

C. T. Elmora, cashier, local freight station, A., B. and A. Railroad company.

Funds Available to Assembly Data.

Washington.—The secretary of agriculture informed the committee on appropriations that a sum of \$20,000, representing increased appropriations for formulating crop estimates, \$5,000 would be used in formulating cotton estimates.

When the increase was granted some days ago, Representative J. F. Burnes of South Carolina spoke to representatives of the agricultural department of the importance of cotton estimate, and of the frequency with which grievous errors had been made in the past. He wanted to know of the department the amount of the total increase which would be dedicated to cotton estimates. It was in response to that request that the department reported to the committee.

Radio Waves Will Travel in Ground.

Schenectady, N. Y.—Radio waves will travel as readily through the earth or water as through the air under certain conditions, Dr. Charles P. Steinmetz, chief consulting engineer of the General Electric company, declared. He says this accounts for recent remarkable performances of the low power radio apparatus in transmitting and receiving messages from surprising distances.

Hospital Building Program Approved.

Washington.—Appropriation of \$17,000,000 to complete the hospital building program of the United States Veterans' bureau is provided in the Langley bill, which was unanimously reported from the house public buildings committee. The Veterans' bureau will be in charge of the construction work under the bill. Formerly the building of hospitals for disabled veterans was under the supervision of the treasury department. Chairman Langley stated that he would try to secure prompt action on the bill.

Second Deficiency Bill Passes.

Washington.—The senate passed the second deficiency appropriation bill, carrying \$137,967,065.95 for the expenses of government departments during the present fiscal year.

The total of the bill was increased \$28,358,466 by the senate appropriations committee over the amount approved by the house. The changes included \$27,468,000 asked by President Harding for use of the treasury department in refunding taxes collected illegally.

LESSON FOR MARCH 19

THE DOWNFALL OF ISRAEL

LESSON TEXT—11 Kings 17:1-18. GOLDEN TEXT—Righteousness exalteth a nation; but sin is a reproach to any people.—Prov. 14:34.

REFERENCE MATERIAL—Isaiah 7; Amos 2:1-16.

PRIMARY TOPIC—What Came of Wrong Doing.

JUNIOR TOPIC—Israel's Punishment for Disobedience.

INTERMEDIATE AND SENIOR TOPIC—Results of Disobedience to God.

YOUNG PEOPLE AND ADULT TOPIC—How National Sins Are Punished.

1. Israel Taken into Captivity (vv. 1-6).

This was the fulfillment of that which Amos had predicted in the days of Jeroboam II, at a time when the nation was at the height of its prosperity. The northern kingdom was ruled by 19 kings, all of whom were wicked. Their wickedness was not because of lack of information or opportunity, but in spite of it. God promised the first king His blessing if he would be loyal to Him. Jeroboam departed from God and the apostasy thus begun continued downward to the end. In the reign of Hoshea, the last king, the king of Assyria came and besieged Samaria and carried the children of Israel captive to Assyria, from which they never returned.

II. The Sins Which Caused Their Doom (vv. 7-18).

1. Conformed to the ways of the heathen (vv. 7-9). God had commanded them not to follow in the ways of the heathen, but these Israelites, instead of maintaining lives of separation, secretly did that which was displeasing to God. Secret sins just as surely as open sins bring ruin; for all things are naked and open to Him with whom we have to do. One may maintain his reputation before men while practicing sins, but ruin will sooner or later overtake him. Even though God had cast out the heathen for practicing these sins, the Israelites followed in their ways. God demands separation (II Cor. 6:17).

2. Served idols (vv. 10-12). They not only compromised by "walking in the statutes of the heathen," but worshiped their gods. It was not a long step from following in the statutes of the heathen to worshiping their gods. Before they worshiped idols they cast off the true God. Idolatry came in because the race did not wish to retain God in its affection (Rom. 1:21-23). People today are worshiping idols because they have first cast off the authority of the living God. Man is a worshipful being. When he ceases to worship the true God, he worships other gods. Neutral ground is impossible.

3. They were rebellious (vv. 13-15). God by his prophet had said unto them "Turn ye from your evil ways and keep my commandments," but they stubbornly refused His testimony, even rejected His statutes. God, in love, tried to save them. He sent some of the noblest and best prophets who ever spoke to man to persuade them to turn from their sins, such as Elijah and Elisha, but they hardened their necks and plunged deeper into wickedness.

4. Caused their sons and daughters to pass through the fire (v. 17). This was the dreadful Moloch worship—the most cruel rite of heathen worship. It was done by kindling a fire in a hollow metal image until its arms were red hot and placing live children therein to be burned to death.

5. Resorted to magical practices (v. 17). When faith in the true God wanes, men always turn to the magical arts. In this way they sold themselves to evil in the sight of the Lord to provoke Him to anger.

III. Judgment Falls (v. 18).

At this stage of the drama the curtain falls. God could not be inactive longer.

1. God was very angry. God's anger is not raving fury, but the revulsion of His holy nature against sin. Sin cannot exist in His presence. His wrath must strike. Though He waits long, the debt must be paid and always with compound interest. There is only one way to escape God's wrath; that is, to turn from sin.

2. Removed them out of His sight. The land of Palestine is regarded as the land of God's sight; that is, the place of His manifested presence. Their national identity was blotted out forever. These people are still scattered among the nations, and as a separate nation doubtless they will never return to their land. The judgment was severe, but not more so than the sins merited. God had waited long. The despising of His grace must eventually work ruin. What judgment must fall upon the people today who reject His grace and mercy!

"They Satisfy"

Nothing New to Her.
Elizabeth's grandparents, although a devoted couple, were prone to excited argument.
Two little girls who were playing with Elizabeth paused in astonishment at some heated discussion between the old couple.
Elizabeth, impatient at the interruption, exclaimed, "Oh, come on! Don't pay any attention. They quarrel like that all the time."

Woman's Slogan.
Woman's dress nowadays may begin a little late and end a little early, but the cynic exaggerates when he says the modern girl's motto is, "Never put off till tomorrow what you can put off today."—London Opinion.

Willing to Overlook.
"What!" said the indignant old gentleman, "you want to marry my daughter? Why, sir, it was only a few years ago that you were cuddling for me."
"Yes, sir," the young man replied, "but I don't intend to let that stand in the way. I hope I have sense enough to realize that a very bad golfer may make a fairly good father-in-law."—Boston Transcript.

Sunday at the Zoo.
It was Sunday at the zoo. "What's the trouble with the fellows?" inquired the orange-oung. "Most of them look as if they'd seen a ghost."
"It's the economy stunt," explained the monkey. "They've decided to transfer the keeper of the elephants to the insect house, and they don't know how to break the news to him."

An Old-Timer.
"Senator," said the master of ceremonies, "I'm sorry, but the sound amplifier is out of order, and I'm afraid people in the rear of the hall won't be able to hear you speak."
"Don't worry, sir," said Senator Shortworthly. "I'm not one of your modern weaklings. I was brought up in a rugged school of oratory where a man developed his lung power before he learned to think."—Birmingham Age-Herald.

Overtaken.
Welsher—I hear young Scads-worthly is going to marry Miss Manchester. He ought to look before he leaps.
Oldpat—He did. He took a glance over his shoulder and saw she was rapidly closing in on him. Then it was too late to leap.
